

Aurora Board Will Consider Park Purchase

A business meeting of the Aurora Board of Trade will be held April 4 when the park proposals will be discussed, according to president Ross Linton. At the annual meeting of the board, a proposal for a park east of the new high school site was held over until it could be discussed by members and a financial statement of the board issued.

The proposal, brought in by Lorne C. Lee, chairman of the town and country committee, was for the purchase either of a seven or eight-acre lot directly east of the high school for a price of \$7,000, or a ten-acre lot further east for the price of \$5,000.

He argued that the need for a larger park was indicated by Aurora's growth and that the board should ensure that facility now rather than wait until it was too late, when all available sites were built over.

Another argument in favor of the park was that the Aurora Horse Show needed more land for its annual event and would be interested in sharing the cost of its purchase in return for its use each year.

A meeting of the Aurora Agricultural Society confirmed this when the society voted to pay one-quarter of the cost, up to \$2,500, the same proposal advanced by Mr. Lee to the board's share.

Mr. Lee pointed out that if both the board and the agricultural society each paid for a quarter of the cost, the town, which would be asked to pay for the balance, could get a substantial grant from the government to assist its share. The park would be owned by the town.

The Newmarket Memorial arena had a capacity house with standing room only last Friday night when the Newmarket Figure Skating club put on its first annual carnival. Those who witnessed the talents of Newmarket skaters and their instructor, Harold Hartley, were impressed with the quality of the show. Over 140 took part in the carnival. Guest figure skaters from Toronto also performed. Terry Budd, 11, gives a little direction to Eddie Allen, 11, in removing grease paint in the dressing room after their act is over. (See page 8).

Third Wave Of Thefts, Break-ins Hits King, 23 Charges On Youth

The third crime wave of the past seven weeks struck King and Vaughan district last Saturday night. Provincial police said the pattern followed the same lines as two other series of robberies and break-ins. Houses were broken into when residents were away and numerous articles were stolen. No cars were damaged this time.

An off-duty Toronto police officer arrested Alex Hudyma, 21,

of Spadina Ave. last Sunday when he spotted a stolen car he was driving. Twenty-three charges have been laid against him, many of them concerning thefts and break-ins at farm homes and summer cottages in King township during the weekend.

Provincial Constable Case, Aurora, said he has laid one charge of forgery, seven of attempted theft and six breaking and entering charges.

At Lasky over the weekend the lock of the front door of the Norman Elridge house was forced open and about \$500 worth of goods stolen. Included were an amateur communication radio set, drafting instruments valued at \$40, an electric testing instrument valued at \$85, two rifles, a shotgun, a 10-power telescope, and a gold watch. The loss was discovered by Mrs. Elridge at 10 p.m. She said she had left the house at seven o'clock on Saturday.

At Bob Riddell's farm house, on the King and Vaughan township line, the catch lock of the back door was forced and the house showed considerable upheaval. Mrs. Riddell said \$200 in goods were taken. The Riddell house had been broken into in February.

At John Riddell's, Bob's father, on the township line, eight gallons of gasoline were taken from the standing barrel. The driveway

\$1,000 In Merchandise Stolen From Wells' General Store, King

Thieves broke into Crawford Wells' general store at King yesterday morning and stole an estimated \$1,000 worth of merchandise. It is the fourth time in several years that the store has been robbed.

Sometime after midnight Wednesday morning the break-in was made; it was not discovered until morning. No person heard the front door lock being broken in. A padlock holding a steel bar across the storm door was broken and an attempt was made to cut the glass on the inner door.

The glass cutting was abandoned and the lock was removed from the side of the main door. A large quantity of men's clothing, all the stock of cigars, clothes recently dry cleaned, \$15 from a change drawer and \$20 from an unlocked safe were stolen.

Constable Cnas. Case of the Ontario Provincial Police at Aurora is investigating the theft. An attempt was made to break into the same store in February by Alex. Hudyma who was arrested Sunday after several other break-ins in King twp.

Red Cross Completes 'Blitz' Plans For 29th

Plans are near completion for the Red Cross "blitz" campaign for funds on Thursday, March 23, between 6 and 9 p.m. when every household in Newmarket will be canvassed by Red cross workers.

The opening of the campaign will be signalled by the blowing of factory whistles at 6 p.m. At that signal, a special corps of volunteers will start knocking on the doors in their neighborhood. Each worker will be identified by Red Cross credentials and will give official receipts.

Red Cross officials in town believe that a short, concentrated campaign will give better results than the usual three-week drive. Chairman of the campaign is Alex. McKay, and president of the Newmarket branch is Mrs. Geo. Case.

No Milk Pick-up As Dairy Workers Walk Out In City

Milk cans were left standing at district roadsides this morning as Toronto dairy workers went on strike today. Truckers were told by the dairies not to bring in the milk, that there would be no one to unload or store it.

Some shippers earlier had been told to bring in milk, strike or no strike, that there would be workers to handle it, but when the strike was called, all workers walked off.

Because the milk was left on the roadside, it became chilled and represented a total loss for most producers. Some milk was separated, some fed to pigs. But for the milk producer, the strike has so far meant serious loss.

There were expressions of hope that the strike would be over today and that milk might be shipped tonight, but this, at the best, was only speculation.

The dairy workers went on strike today on the issue of retroactive pay. The dairies agreed to pay the conciliation board

award of \$3 a week increase retroactive until March 1. The union asked that it be made retroactive to October 1.

The union had previously called for a strike ballot when milk was frozen at the retail price of 20 cents a quart in Toronto by the government.

The government introduced a bill which gave new powers to the milk board, provided for the appointment of a representative of the consumers (Toronto Mayor Hiram McCallum), and for an investigation into the operations of the dairies with the intention of making them more efficient.

The bill was passed on Wednesday and the new board went into a meeting which lasted until early this morning. The result was a new increase in the consumer's price of a half cent a quart, and an attempt to bring dairies and union together on the retroactive wage.

The half-cent increase in the price of milk in Toronto has not so far been duplicated in this area. Milk was still selling at its regular price this morning. There was no immediate indication of what the future would be.

The strike vote in Toronto had no effect on milk deliveries in this area, and the drivers were out this morning as usual.

Aurora Soldier In Action With Princess Pats

Keith Smith, Aurora, is another district boy who is serving with the Princess Pats in Korea.

Private Smith, 20, is in D Company with the Pats and has been in the thick of action in the Korean hills. His mother, Mrs. J. A. Smith, 64 Macmillan Ave., Aurora, says that she had been receiving letters from her son regularly but only through the newspapers has she discovered the kind of action he has been in.

"According to the news we read about his company, Keith was in that famous bayonet charge the Pats made recently up one of those hills," his mother told the Era and Express Tuesday.

Pte. Smith's father was in the first world war and also served 5 years in the second world war. Keith enlisted on August 22 last summer, trained at Petawawa and Calgary and sailed for Korea with the Pats on November 25. They arrived in Korea a few days before Christmas.

Pte. Smith has a sister, Mrs. Fred Dillman, living in Newmarket. Sisters Mrs. Young, Mrs. Lawson and a brother Gordon live in Aurora. Before he enlisted, Keith was employed with the Snow Welding Works, Aurora.

EASTER SEAL DRIVE ENDS WITH TAG DAY

The Easter Seal campaign for the Society for Crippled Children ends on Easter Sunday. "There are still many contributions to come in," says chairman of the Lions club campaign committee, Chas. E. Boyd. He urged that they be sent in before the campaign closes.

To wind up the campaign, there will be a tag day on Saturday. Girls wishing to assist are asked to contact Mrs. Fred Cass at the Veterans' Dug-Out on Main St. by 10 a.m. on Saturday morning.

Newmarket, Aurora High School Competing In Drama Festival

Four high school plays were produced at Newmarket high school auditorium on Saturday night. Newmarket, Aurora, Agincourt and Earl Haig Collegiate from Toronto presented one-act plays as entries in a Collegiate Drama Festival sponsored by the Robert Simpson Co.

The best three plays chosen from this and one other festival will compete in Toronto on April 14. A plaque will be awarded for the best play in April and cash awards will be given to the best actor, actress and director. One or more of the three winners could be among the four performers at the high school Saturday night.

Newmarket students performed "Our Dream House"; Aurora with an all female cast presented "A Room in the Tower"; Agincourt continuation school's cast spoke in French in the play "Vive la Musique"; "A Marriage Proposal" was the choice of Earl Haig Collegiate players.

The adjudicator Saturday night was William Needles, well known

radio and stage actor. He said that the plays were well chosen and commented on some of the acting. The choice of plays which will go to the Toronto festival will not be made however until the four from other schools have been performed.

PRaises FUNCTION OF Y.C. HOSPITAL

The York County hospital, Newmarket, was praised at the conference called recently under Dr. W. V. Johnston, Lucknow, of the general practice section of the Canadian Medical Association. Dr. C. D. Farquharson of the Toronto East General hospital called attention to this hospital.

Dr. Farquharson cited the local hospital as "an example of the progressive small hospital. It was an open hospital so far as general practitioners were concerned in treatment of their patients. There was a systematic exchange of information and a program of study among the doctors served by the hospital."

At Lasky over the weekend the lock of the front door of the Norman Elridge house was forced open and about \$500 worth of goods stolen. Included were an amateur communication radio set, drafting instruments valued at \$40, an electric testing instrument valued at \$85, two rifles, a shotgun, a 10-power telescope, and a gold watch. DRAMA CLUB ENTERS ONE-ACT FESTIVAL

The Newmarket Dramatic club will enter the first act of "Arsenic and Old Lace" in the festival of one-act plays to be held at Hart House, Toronto, the week of April 16. The invitation was extended to the club by the festival director, James Dean.

Held under the sponsorship of the Central Ontario Drama League, the festival of one-act plays is non-competitive. The value to a local club through entering such a festival is received from the experience on stage; in the comments of the adjudicator and in viewing the entries from other centres.

Adjudicator will be Esse Ljungh. Entries are expected from the School for the Blind, Brantford, Oakville, Orillia, St. Catharines, Toronto and other clubs.

The three-act play, "Arsenic and Old Lace", directed by Dorothy Bowman, will be presented at the Newmarket town hall on Friday and Saturday, March 30 and 31. The Newmarket entry in the drama festival is expected to be staged on April 16. Eleven members of the cast are in the first act.

The set is designed by Fred Hagan; costumes are being arranged by members of the cast with the aid of Kitty Cummings.

GARAGE OPENS

Eric Sanderson assumed the operation of the former Sedore Garage this week. The garage will be known as Sanderson Motors Ltd., having the district Dodge DeSoto agency for cars and trucks.

Council Turns Down Move For Town Planning Board, Zoning By-law Considered

A motion for a town planning board in Newmarket was turned down at council meeting Monday night. The motion which simply called for council to appoint a planning board was introduced by Councillor Chas. VanZant and Deputy-Reeve J. L. Spillette.

Mr. VanZant said that in presenting the motion, he had in mind particularly the new area which had been annexed recently by Newmarket taking the town out to Yonge St. Over 200 acres were annexed.

Said Mr. Spillette, "We must put some kind of limitations on that new area. Planning for the town's growth is going to be difficult, particularly when we start putting a limit of \$8,000 as a minimum for example of new houses being built in the area."

Mayor Vale said that the town would have to create a planning area before it could appoint a planning board. "It's a big thing to jump into," he said. "It will mean another mill on the tax rate."

The mayor suggested that the town engineer be instructed to draw up a zoning by-law for the town. A zoning by-law could impose certain restrictions in certain areas so that the class of buildings erected would create residential or commercial areas. After some discussion on the proposed building by-law which

will soon be before council for adoption and a zoning by-law, Mr. Spillette asked, "How about this planning board?"

"I am of the opinion that we will be the planning board," said the mayor.

The previous week council discussed a problem which also concerned planning. Land between Eagle St. and the Armitage Heights subdivision and a large field west of it had been surveyed recently and council was considering having the land brought under a registered plan.

The possibility of desirable types of industry locating on the vacant Eagle St. property, west of the subdivision, brought a problem before council. If a by-law was adopted by council making a residential area, the town would lose control over the area as far as bringing in new industry, the mayor told council.

Councillor Birrell said that he was not in favor of restricting Eagle St. to a residential area. "The town's commercial section must grow somewhere and the only streets it can grow on are Eagle St. and Davis Dr.," he said.

The question of a restriction by-law for the Eagle St. area was dropped until further information could be found about the interests of prospective industry in the area.

RAISE WATER RATE WEEK OF APRIL 16

New water rates for industry in Newmarket will enable the water works department to operate with a smaller loss in the future. A motion was passed in council to raise the rate for each industry to one sixth of a cent per cubic foot for the first 16,000 cubic feet used and one eighth of a cent per cubic foot when the consumption goes over that figure.

The by-law which was introduced by Reeve Arthur D. Evans also rules that new service installation charges will be brought up in proportion to present costs of material and labor.

Any new extension to the present water main extensions will be paid for under a local improvement plan. The town and the property owner will share in the cost, paying over a number of years. Previously a new extension would have been charged to the whole town and costs were being borne by all the taxpayers.

B. W. HUNTER ASSESSOR

The Newmarket council passed a resolution Monday night to appoint B. W. Hunter the assessor for 1951 at a salary of \$1,200 with an additional fee of \$3 for each additional assessment after the assessment roll has been closed.

Mill Rate Increase 22 On First Estimate, Calls For Budget Cut

Newmarket is in for a heavy increase in its mill rate for 1951. Deputy-Reeve J. L. Spillette, chairman of the finance committee on town council, directed all committees to cut down on their estimates for the year's budget. "As chairman of the finance committee, I am not merely recommending, I am directing all committees to reduce their estimates," he said Monday night.

The finance chairman told the council that his committee had one meeting last week. The committee discovered that the mill rate would stand at 64, an increase of 20 mills over last year if the present estimates submitted by the various committees and school boards were adopted.

"It just knocked the wind out of us," said Mr. Spillette. "So we've got to get back to the stage where policy says that if we can't afford it, we don't have it. Modern services are nice but when these modern services get beyond the power of the taxpayer, they become a heavy burden."

He told committee chairmen that in order to reduce the mill rate down to 60, it would mean a reduction of \$27,000 from all budgets for the year.

"A high tax rate is a burden to all taxpayers, whether their assessments are large or small."

Veteran Rail Engineer Retires To Fish In Pottageville Creek

When Engineer Jacob Gould, 65, Maher Ave., Toronto, brought his train in from Hamilton to the Toronto terminal at 9 a.m. Thursday, he had ended a 40-year record with the C.P.R. Wearing a boutonniere, he was greeted with kisses from his wife, daughters, grand-daughters and grandson, Ricky. On hand to honor their confrere were six retiring engineers all totalling more than three centuries of C.P.R. service and "millions of miles of travel experience."

Jovial Jake, a spinner of tall yarns, stepped down from his cab ready to "do some long wadded travelling", later to do some fishing in Pottageville creek and a little gardening. Mr. Gould was raised at Pottageville, the son of Alexander Gould, starting his first railroading with the old Metropolitan line from Schomberg to the Junction on Yonge St. Later he was a railway watchman at Manvers, near Peterboro. In less than a year he was a fireman working out of West Toronto. He became an engineer in 1917 and has been driving locomotives west of the city ever since.

Mr. Gould has a daughter and son living in Toronto and a daughter at Galt. A son who enlisted as a navigator in the R.C.A.F. was killed in the second war. His brother, William Gould, lives at Snowball, John at Kleinburg, Dave, Tottenham. His sisters are Mrs. Elias Páton, Pottageville, Mrs. Cal Davis, Newmarket, Mrs. Vaughan and Mrs. Boyd, Toronto.

To wish you joy,
The sweetest gift of Easter day,
To wish you hope,
To shine, unending, on your way,
And to wish you faith,
So strong, so steadfast, too,
That the peace of Easter-tide
Will long remain with you.
A very Happy Easter to all our readers!

Mr. Perry Winch spent two days last week at an insurance convention in Toronto.

The Evening W.M.S. had a successful "sewing day" last week.

Farm Forum News

Holt Farm Forum believes that the rural teacher should receive the same salary as the urban teacher for although living may be cheaper, the teacher has more work to do in the country. The forum believes that equality of pay would attract a better class of teacher to the rural schools.

The Holt group didn't think a teacher should be expected to act as a leader in the community. The teacher's work should come first.

The Holt group met at the home of C. Rutledge with 20 present.

The Mount Albert Forum also thought rural school teachers should receive the same rate of pay as urban teachers, and agreed with Holt that rural teachers should not be expected to lead in community activities. The reason is that the rural teacher, with several grades in her class, has enough work to do already.

The Mount Albert group met at the home of N. Brooks. There were 12 present.

At an earlier session, the Mount Albert forum discussed whether the curriculum could be improved for rural schools. The forum felt that the courses should be much the same in rural and urban schools, and also that more agriculture should be taught in the urban schools. The forum felt that there should be more freedom of choice between academic and vocational training, that more farm economics should be taught, and there should be more emphasis upon conservation.

Ivan Kay, Vandorf, had the winning championship carcass at the Bacon Show held at the Newmarket town hall last week. Nine townships compete, each with three bacon carcasses. In the Seed Fair, competition was keen. Frank Marritt, Keswick, won first three in seed contest.

15TH ANNUAL SHOW

\$4 Top Price Paid At York Seed Fair

With beautiful spring weather over 300 attended the 15th Annual York County Seed Fair and Bacon Show in the Newmarket town hall last week. There was a fine display of seeds and bacon carcasses. While crops were good in 1950, the poor harvesting weather had spoiled the appearance of a great deal of grain and reduced the entries slightly.

In the auction sale of ten bushels of registered seed, top price of \$4 per bushel was paid by Leitchcroft Farm for Beaver oats shown by Frank Marritt, Keswick.

Nine townships competed with three bacon carcasses, each making a fine display, and competition was unusually keen. Headed by East Gwillimbury and Whitchurch, the first four townships each had two first and one second quality carcasses. The championship went to Ivan Kay, Gormley (Vandorf) in Whitchurch and the reserve to R. J. Rogers, Sharon, in East Gwillimbury. In all, 12 were rated as first quality bacon sides and six as good second quality, having in mind the eye of lean, balance and mixture of fat and lean as shown in the cross-section cut.

In the Seed Fair, which also included commercial classes for hay (baled and chopped), table turnips, table potatoes as well as both shelled and cob corn, competition was quite keen with Frank Marritt, Keswick, winning three firsts. Chas. Ingleton, Agincourt, Eugene Lemon, Stouffville, and Bruce Snider, Maple, each got two first prizes. Largest class was the ten ears of dent corn with ten entries, mostly members of the 75 Bushel Corn club in which Elson Miles, Milliken, had previously won the high yield contest with 96.31 bus. of dried shelled corn.

Introduced by R. E. Goodin, associate director of the Ontario crops branch, Prof. Jas. Laughland of the field husbandry department of the Ontario Agricultural College in his address gave a much appreciated discussion of the merits of the various varieties in several crops and answered a number of questions.

The combined show was sponsored by the Crop Improvement and Hog Producers' Associations of York county. Albert Rutherford, Woodbridge, presided for the afternoon meeting and called on Allan Lovelace, president of the hog producers, to introduce Mr. Hanna of the Dominion Production Services who had judged the bacon show to discuss the exhibits.

Judges for the seed fair were seeds, T. W. Brennan, plant products division, Toronto, and Geo. M. Gray, plant products division, Barrie; hay and grain, Prof. Jas. Laughland, O.A.C., Guelph; potatoes and turnips, R. E. Goodin, crops branch, Toronto. Vice president is Frank Barnes, Schomberg, and agricultural representative, W. M. Cockburn, is secretary-treasurer.

The prizewinners: Class 1, Corneli 595 wheat, Frank Marritt, Keswick; J. A. Macklin, Agincourt; Eugene Lemon, Stouffville; Class 2, winter wheat, Bruce Snider, Maple; J. H. Crang, Newmarket; Class 3, six-rowed barley, Eugene Lemon, Stouffville; Norman Payne, Maple; Mrs. Levi Weddel, Sharon; Class 4, early oats, Eugene Lemon, Stouffville; Alfred Bagg, Edge-

NEWS OF THE INDIANS
ON GEORGINA ISLAND
By BILL RIDDELL

This is the first of a series of news-notes about the Indians on Georgina Island. But first, a brief history of the island inhabitants.

The Indians of Georgina Island are descendants of the Algonquin and Ojibway Indians. About 300 years ago they moved from Lake Superior to Orillia where they assembled under three chiefs, Assance, Yellowhead and Joseph Snake.

Soon the band became too large for hunting, and so the three chiefs agreed to divide into separate bands. Assance moved north to Coldwater and eventually to the Christian Islands, which later was made an Indian reserve. Yellowhead stayed around Orillia and eventually the present Rama reserve was established.

Chief Joseph Snake and his little band moved to the south of Lake Simcoe and settled at first on Snake Island which was named after him. Chief Snake fought in the war of 1812 on the side of the British. He was an ancestor of Chief Lorenzo Bigcanoe of Georgina Island.

The first settler on Georgina Island was Jim Porte. He moved over to Georgina Island because he found that the hunting and fishing was superior to that of Snake Island and that it was farther removed from the whites. Soon, all of the Indians except one family of Big-Sails moved over to the present-day reservation of Georgina Island.

Next week we plan to tell something about Indian pensions.

We often speak of Canada as a young country. It is quite true. It is not yet a century since Confederation. The Maritimes and Quebec have histories which extend back centuries, but the west and the Pacific coast are still in the first blush of childhood, while the north is not yet out of its swaddling clothes.

The memorials on the walls of the older churches tell of this national adolescence more forcibly than any other manifestation. Most often it is the third and fourth generations who have placed the memorial, sometimes the fifth. The stones tell of births in Ireland, Scotland and England, of deaths in the new land of Canada in the early 1800's.

There are names in the north end of the country about which there is an aura of age. They are families who settled original crown grants, the half pay officers, the soldiers, the settlers attracted by promises of land beyond their dreams, of opportunities unreckoned at home. They have become as much a part of the landscape as the rolling hills and the old rail fences. Yet at the most, their tenure is of only five or six generations.

Many of these families sprang from stock which could trace its lineage five or six centuries with none to question it. We are still only young shoots on ancient trunk, and it might temper some of youthful exuberance to remember it.

A Saturday afternoon pleasure is the regular broadcasts of the Metropolitan opera. Nineteen operas were presented

this season, ending last Saturday with a beautiful performance of La Boheme, a favorite for no other reason than the haunting aria "Your Tiny Hands are Frozen". Mimi, the heroine, dies in the closing minute of the opera and Milton Cross, the commentator, added somewhat unnecessarily, "as the orchestra sobbed out its closing chords".

Why is death described in minor chords?

Mimi, incidentally, has been given a symbolism that her creator, Puccini, never intended. In his opera, she leaves her true love, Rudolpho, for a richer suitor, and then returns to die in his arms.

There is a vague resemblance in the tendency of Europe to forsake the west for Russia, and fear it will return in the extremity of death. It seems a little far-fetched, but it has provided more than one writer with a pretty conceit to live his text.

Bill Riddell in Sutton has undertaken to write a series of short columns about the Indians on Georgian Island and the series starts this week. Bill has found that he is picking up the odd bit of Indian tongue in the process and now greets us when he arrives in the office with the words "Ah neen", Indian for "hello".

In one of his columns to be printed shortly, Bill interviewed Bill Asquabe, oldest resident on the island, and Mr. Asquabe assures us that we will have an early spring. It is a re-assuring note because as we write, the snow is falling with all the enthusiasm of early December.

FREEZING DOESN'T MAKE SENSE

It is encouraging news to the consumer to know that the price of milk will not rise that extra cent, and that the government is going to try and find out why milk, for which the farmer is paid ten and a quarter cents a quart, is sold at 20 cents in Toronto.

But against these advantages, contained in new legislation introduced to the provincial house last week, are the obvious difficulties which follow every attempt to peg prices on an individual product without also controlling the costs of producing that product.

If the price of milk is frozen at its present level, the possibility of an increase to farmers when their contracts are renewed next fall is remote. In the meantime, however, the price of everything which contributes to the production of milk continues to increase.

It may be that the government's investigating committee will find cheaper ways of distributing milk, and require the distributors to follow them. In that case, some of the saving can be passed along to the farmers. More than likely, however, if any action is taken, it will be in the form of subsidies.

TREE PLANTING IN TOWN

A one-time glory of Newmarket was its wealth of shade trees. Their graceful forms lining the streets were a haven from the sun and a contribution to the natural beauty of the town. Time has taken a heavy toll. Trees have been blown over by high winds, have become rotten and had to be removed, and in many instances, they have become a nuisance to the owners of the properties on which they grew.

Now there are great gaps in the once sturdy rows of trees on the streets, and in the new sections of town, there are frequently no trees at all.

Fortunately, something is going to be done to restore and encourage tree growth in Newmarket. The council and horticultural society are working together, the town purchasing the trees and providing transportation, and the society choosing the sites and overseeing and planting. It is a worthwhile undertaking, although it may take time for the full advantages of the program to be realized, and deserves the co-operation of all property owners.

EQUALITY OF SACRIFICE FIRST

The Hon. Stuart Garson, minister of justice, told a meeting of the National Dairy Council in Saskatoon last week that the present emergency may extend for many years and that Canadians cannot expect to go through it without a measure of personal sacrifice. True as that statement may be, it will have no meaning for most Canadians until the government of which Mr. Garson is a member takes steps to assure that the sacrifices will be equal.

At the present time, there is not the remotest suggestion that anything even resembling equality of sacrifice can be achieved. There is too much of the "dog eat dog" in our economy, too much of a constant scramble for more wages and shorter working hours. There would be no objection to these concessions if they were accompanied by a corresponding increase in production. But we have not yet reached the golden age when machines can do everything, and in almost every instance where wages have gone up, the cost of production has increased. And who pays for it? The unorganized consumer.

The greatest fallacy of our age is to expect to do less and less for a dollar but still expect the dollar to do as much for us. Until this basic economic fact is recognized, the urban, organized labor will continue to improve their working conditions, not through ability, not by increased effort, but at the expense of the unorganized, rural consumer, the small industry, the white collar worker.

If everyone had an equal chance in the scramble, there would be less objection. The efforts of one would offset the other. But there is no such equality, and the majority of Canadians can do nothing but bow to inevitable increase in prices. Under these circumstances, Mr. Garson's requirement of personal sacrifice carries as much conviction as spit in a high wind.

WORKING TOGETHER

Two parents complained to Newmarket council last week about dogs running loose and the council is going to see what can be done to control this nuisance. One problem is the lack of a pound. Another is the employment of a dog catcher. There is not enough work to make a dog catcher a full-time employee, and the job is just not one which is happily done on a part-time basis.

Newmarket is not the only municipality with this problem. Richmond Hill council recently suggested to Aurora that they get together and discuss with representatives of Vaughan and Markham townships the possibility of group action to control dogs. Newmarket might find an answer to its problem at this meeting or alternatively, see what could be done by working with East and North Gwillimbury, Whitelchurch and King.

The dog nuisance is not the only problem common to the municipalities in the north end of the county. Conservation, encouraging tourists, developing historical sites, encouraging industrial development, the construction of an incinerator: these are all issues on which two or more municipalities could work together to their own advantage.

There are well established precedents for group action. Already we have a county health unit which is supported by several municipalities and which provides uniform attention to health matters in each municipality. The high school area board is another example where municipalities are working together. It has meant that the participating municipalities have forfeited some of their autonomy but the benefits received have made it worthwhile.

Office Cat Reports Catnips By Ginger

Crabapple Butterball Dankwater Fanny said in an interview this week that this milk situation is going to be terrible. "Just when a cow works hard on her figure, along comes another mess in the milk market and then what's a figure good for?" said Butterball.

"I would like to write a description in my column of your figure," I flattered Butterball. "It sure looks like a classic to me."

"Listen, noozie, you and I have two different kinds of figures in mind," said Butterball indignantly. "I'm talking about my production figure. I've got first prize for production a record weight of milk and butterfat, six times a day milk-in."

On looking up the records, I found that Crabapple Butterball Dankwater Fanny, a purebred Holmsney cow, registered, recently won first place in the production contests in her class. Butterball, as we call her, herself produced 15,497,306 lbs. of milk and 999,462 lbs. butterfat in a period of 50 days, 6 times milking class.

"Them's purty high figgers," said her Ring township owner, John Henry Debluff who is intimately known by his nickname, "Shootin'".

"Yep, them shore is purty high figgers," he said. John Henry "Shootin'" Debluff is not really a farmer at all. He owns two or three 100-acre Ring township farms but he really likes to think of himself as a real natural born dirt farmer and wears plenty of manure on his boots when he comes into town.

Actually John Henry is president of Continental Can Openers Inc., having made a quick kill in 1936 in Canada Packers, a spurious firm of investors holding unknown interests.

(This latter detail interest is not generally known except among a selected few from the financial set but your favorite correspondent has revealed the facts after tedious and diligent research among his Bay St. friends).

Crabapple Butterball's attitude toward the milk situation therefore cannot be taken as a general feeling toward the market among cows. Naturally her thinking will be influenced by big business. It is obvious that she is not governed by the monthly milk cheque economy familiar to many.

"But if these drivers go on strike, what am I going to do with my product? There'll be no market for it," Butterball said, arching a significant eyebrow at me. "I tell you," she said stamping her left hind foot, "we are going to be throwing milk down the drain! And where is our economy going to be? It's going to be drained, that's where!"

"Why don't you start a roadside stand and sell milk on the highway," I said. "Fruit farmers do it, so why can't you? Forget about the drivers and dairymen and deal directly with the consumers."

"What? Degrade myself down to a common ordinary huckster? Never! And besides, don't forget that I'm no ordinary cow, I'm registered."

"Do you use palmolive?" I asked.

"Don't be smart. I am no common cow. I have a heritage to look after and I am going to keep up my figure too, even if my product has to go down the drain. To the dickens with the consumers and the drivers and the dairymen."

Farming is a way of life. That is one aspect of the milk crisis and how one of the moneyed set looks at it.

by "Dairy Farmer" The Top Six Inches

We shipped some pigs to market the other day, the first day of the week and then sat back in happy anticipation of the figure the cheque would represent. This is a nice time to send pigs to market and the way we figured it, there might even be some left over when the feed bill and labor were taken care of. However, Monday passed and then Tuesday and then we got to the middle of the week and there was still no price set. We called our trucker, who of course didn't know the answer and nobody can blame him for this.

The price was finally set on Thursday. Now the point we are getting at is this. Pigs are shipped to market usually in the first four days of the week and very little if anything goes to market after that. If the powers that be can get away with waiting until the week's run is in before they set the price, then the whole price setting becomes a mockery and farce. The hog producer is getting into the same boat as the milk producer. In other words, he will also ship to a market without being paid right away and he will also be totally ignorant of the price when he ships.

It seems to us that whoever the guardian organization is that watches over the steps of hog producing should step in and point out that this situation is very unhealthy and that the odds are loaded against the producer. If we admit that it is the supply and demand that sets pig prices, it is unfair for the buyer to seize all the supply and then set the price.

Pigs shipped on Monday hang in the market the same afternoon. It's a nice picture. They hang in it the whole week, from Monday to Wednesday. The same picture is repeated before the week is out. In other words, the producer and the processor will never see the price. A farmer who knows the value of his product and the price he will get for it, unless his price is guaranteed to be set, is not a farmer. As we said, and the price is set on a free market by the fluctuations of supply and demand, neither of the two producers is satisfied, and without this advantage to the side that happens to get the jump on the other one. But neither of them is strictly free enterprise. And if free enterprise is the motto and if the government believes in it, why not let the market catching pigmen, then let the government and its agencies keep the game clean. In a free country, under free supply and demand conditions, the government has only one job and that is to enforce and traffic directing. To us the case of the stubborn hog price setting calls for some action, and very prompt one at that.

When you really look into it, you will find that the free market doesn't set price at all, because only ten percent of the pigs go to the stockyards. The rest of them directly to the plants. You can figure it from here on alone, we are sure.

THE HOLD-OUT

The state is the servant, not the master, of the people; the state is their guarantee against infringement on their rights, their agent in international and national issues; it is not the function of the state to assume the direction of those activities which rest on individual choice.

King City And District

CORRESPONDENT: MRS. L. E. ROLLING, PHONE KING 8

An adult and two children escaped serious injury last Thursday night when a car driven by W. E. Barker of King struck the soft shoulder of King sidewalk a mile and three-quarter east of Yonge St. hit a culvert, landing against a telephone pole in a four-foot ditch. The driver was blinded by the headlights on an approaching car. Shirley Thomas, 12, of King, a passenger received a cut forehead and a chin gash when she struck the windshield. Beverly Barker, 9, the driver's daughter, had a slight nose cut, and her father a bruised left cheek. The children were taken to nearby Alfred Jensen's where they were attended by Dr. R. A. Bigford of Maple. Provincial Police investigated.

Mrs. William Bayliss is confined to bed from a heart condition.

Mr. Alfred Badger has been in bed for several weeks.

The condition of Mrs. William Egan of Kinghorn improved somewhat at the latter part of last week. She developed pneumonia after an attack of flu.

Mr. Andrew McClure and daughter, Mrs. Alfred Gilham, attended the funeral of Mr. Cecil Keys, Toronto, in Maple cemetery, Mar. 15. Mr. Keys was a brother-in-law of Mr. McClure.

Return from 5,000-mile Journey
Mr. and Mrs. Irving L. Scott returned to their home in King after a 5,000-mile trip to Florida and New Orleans. They arrived at Port Huron on Saturday after parting from cousins, Mr. and Mrs. Glen Vining, who made the trip with them. When they got to New Orleans the temperature had dropped from 85 to 32 degrees. At Natchez the party visited old plantation homes. The Scotts and Vining's visited Key West in Florida, and stayed a week at Edgewater near Daytona Beach. In all the trip was a fine experience. After leaving New Orleans they were rather anxious about the northern highways. However the weather proved fine and highways excellent.

Mr. Norman D. MacMurchy, who returned to King on March 4 after nearly three months in Arizona, California, Florida and other places, attended the funeral of Peter Darbyshire, at Toronto, on March 13. He had driven Mr. and Mrs. Darbyshire to Arizona leaving Toronto on December 13. In poor health at the time, Mr. Darbyshire was driven to Mexico by Norman to see a specialist. Mr. MacMurchy had parted from the couple a month previous to his death. Mrs. Darbyshire would like him to return to Tucson, Arizona, to bring her car back to Toronto.

Mr. MacMurchy spent the last three weeks of his stay south at St. Petersburg, Fla. He boarded a bus there on Friday, March 2, at 6.16 a.m. and was in Hamilton by 4 p.m. on Sunday, March 4, a distance of 1,900 miles.

Mr. and Mrs. W. F. Hood and daughter, Virginia, will motor to Montreal for the Easter weekend, where Mrs. Hood will visit friends for a couple of weeks.

Fleetwood Motors garage and service station, a modern cement block structure located on the fourth concession and the station road, is nearing completion. The building was designed by Arthur Fleet and Ivel Wood, and is receiving very favorable comment from outside builders. They will sell B.A. products. Different representatives for B.A. have inspected the building from time to time with the idea of incorporating some of the advanced lines of construction elsewhere. The forced oil heating system which is installed provides air conditioning. The owners hope to occupy the building around Easter time. They will vacate the Benson building which they have occupied for some time as soon as the new building is ready. Announcement of the official opening will be made later.

King Scouts and Cubs collected 8,630 lbs. of waste paper on March 3 campaign. This amount will realize \$64 for the groups. Despite the weather on that Saturday, the boys and the group committee who drove their cars were well pleased with results. It is hoped to set up a system of paper collections at regular intervals. It has been found that collections made by outsiders is not dependable, and everyone is glad to assist the local boys and their leaders.

The transfer of Glenn Judd and Bert Archibald from cubs to scouts held last week makes what is called a "going up" ceremony. Certain qualifications in proficiency at 12 years of age entitle cubs to become members of the scout troop.

Rev. M. R. Jenkinson preached anniversary services at Ajax United church on Sunday. The circuit pulpits were supplied by Rev. C. E. Fockler of Markham.

Mr. and Mrs. Bob Walker are happy to announce the birth of their daughter, Shirley Anne, at Memorial hospital, Newmarket, on Wednesday, Mar. 14. She weighed 7 lbs. 3 ounces. Mother and daughter are doing well and will arrive home at King next week.

Twenty King cubs attended the Sportman's Show, Toronto, Friday evening last week. Mr. Grew, George Billings, W. F. Hood and B. J. Langdon motored the boys to Toronto.

Mrs. R. C. Baycroft, Gormley,

president of Centre York W.I. district, addressed Laskay W.I. on Tuesday, March 13 at a meeting held at the home of Mrs. Lawrie Boys. She spoke on friendship, defining it as a state of intimacy and good will. Friendship, she said is "worth working for but is not found without the price of patience, love and self-sacrifice." It pays dividends in a hundred different ways, she stated. Mrs. Baycroft values the friendly attitude of institute members whose pledge is to "help others." She brought greetings from the district to the local branch. Mrs. Norman Etheridge gave a paper dealing with the symbolic flowers of Canadian provinces. Mrs. Boys explained the origin of St. Patrick, the ancient saint.

King W.I. met at the home of Mrs. Frank Armstrong, March 1, to enjoy a program of musical selections given by Miss Dorothy Armstrong and her pupils. Paty Simpson and Suzanne Grew played piano solos; Miss Armstrong and Freda Dent, duets and duos; Marlene Lloyd and Miss Armstrong, a duet; Mrs. Simpson and Miss Armstrong, a duet. A music quiz played by Mrs. Simpson with Miss Armstrong reading the story was won by Mrs. Verdon Gordon. Mrs. A. E. Jarvis placed for consolation.

As a means of augmenting her W.I. talent money, Mrs. John Phillips conducted a "touch and take" table, which realized nearly \$50.00.

A successful Legion Auxiliary bingo was held in the Masonic hall on March 14, the theme colors of St. Patrick's and the Easter season seen in the decorations of prizes. In order to arrange a good selection of gifts, Mrs. Beryl Fleet, president of the ladies' auxiliary, and Mrs. Hazel Campbell, the secretary-treasurer, and Mrs. Bob Walker drew up a scale of costs, and the type of prizes. Three shopping days at King were given over to purchases and three days devoted to decoration of the awards. Mrs. Fleet and Mrs. Campbell appreciated the special prices given by local merchants. Mauve, yellow, green and white emphasized the color schemes. Mrs. Ted Thompson won the special 15 lb. ham, and all the ingredients that went with it. Another special was a decorated St. Patrick's cake. A set of rainbow dishes was won by Mrs. Shaw and a 5-lb. box of candy by Mrs. Hack of Aurora. Other prizes were a full course breakfast ready to cook; a supper meal and a luncheon meal. The foods were well chosen, appetizing and tastefully parcelled. A box of fresh fruits, fresh vegetables and a corner shelf made and donated by Jim Hamilton, Aurora, made up other prizes. The next bingo will be held March 28. The auxiliary intends to carry on the events up to gardening time.

Meeting at St. Andrew's Presbyterian church, March 14, the W.M.S. heard a review of mission work among the Chinese and Ukrainians of Canada as outlined in the study book entitled Our Share in the World Mission, given by Mrs. C. A. Black, the president. Devotions were taken by Mrs. Pickell who also read a sermon prepared by her brother who is a lay reader of an American church. Mrs. Whatley Finch gave a suitable Easter reading based on the "ragged cross of the crucifixion".

District churches will have special sermons and music for Easter Sunday. There will be a morning and evening service at All Saints church, King; others will be held at regular hours. At 12 o'clock noon, Good Friday Mass of the Priest sanctified will be offered at Sacred Heart Roman Catholic church, King. At All Saints Anglican, King, Rev. D. H. MacLennan, St. George's church, Hamilton, will preach on Good Friday, at 8 p.m. to conclude the Week of Prayer services for King district.

PLEASANTVILLE

On Friday night the Bogart-town club was well attended. The program consisted of nearly all Irish numbers, including a play entitled "The St. Patrick's Day Parade" and the unhears-ed musical band, headed by notorious clown, gave us a good laugh with their music and Irish wit and jigs.

Mr. and Mrs. Wesley Williams was present for the 45th wedding anniversary of the latter's sister and Mrs. James Wagg, at Greenwood on Wednesday, March 14.

Francis and Dorothy Starr and little Christopher returned to Elmer Starr's home on Monday of last week after a five months' trip to Mexico.

Sorry to report that the flu has returned again to our burg. Folk sick are Harry West, Frances Walker, Johnny Walker, Eva Greenwood. Glad to report Mrs. A. Colville, Mrs. C. Toole, Mrs. E. Toole and Mrs. L. Harper are much improved after their recent illness.

Hulda Stanley and two sons, David and Wayne, Columbiana, Ohio, are spending some time at Elmer Starr's home.

Mr. and Mrs. M. McClure and Wanda were Sunday tea guests of Mrs. G. McClure, also during the evening calling on Mr. and Mrs.

A family gathering was held at the home of Mr. and Mrs. Arnold Gardhouse, Thistleton, on Sunday in honor of Mrs. Gardhouse's father, Mr. W. H. Kingdon, who celebrated his birthday. Mrs. Kingdon and son, Bill, Mr. and Mrs. Charlie Scott and the children also attended.

Mrs. John Petch is spending the Easter holiday with relatives in Pittsburgh.

Congratulations to Mr. and Mrs. Gafnet Meyers on the arrival of their baby boy, a brother for Roger, also to Mr. and Mrs. Garnet Pattenden on the arrival of their baby girl.

Mr. Herbert Oliver has been called to serve on jury.

Mr. and Mrs. Ed Ransom attended the funeral of Mrs. Ransom's mother, Mrs. Hamlin, Whitevale. This community extends its sympathy to Mrs. Ransom and family.

Mr. and Mrs. Ross Sheppard visited on Sunday with the latter's mother, Mrs. A. Wright.

Miss Louise Carroll attended the Sportsman Show with Mr. and Mrs. Sullivan.

The Sullivan colliers were successful at the Sportsman Show. Sullivan Squire of Leighton won first in Canadian bred class. Sullivan Count of Vandorf won first in bred big exhibitors' class.

These colliers were winners on four day showing, March 14, 15, 16, 17.

Mr. and Mrs. Grant Morley and Billie visited Dr. and Mrs. Covey, Toronto, Sunday and later had tea with Mr. and Mrs. W. H. White, Agincourt.

Mrs. John Loveless, Markham, spent the weekend with her daughter, Mrs. H. A. White, and family.

Mr. and Mrs. George Bilton, Toronto, visited on Sunday with the latter's parents, Mr. and Mrs. H. A. Switzer.

Congratulations to Mr. and Mrs. Sidney Aylett on the occasion of their 15th wedding anniversary, March 21. They are to be guests of Mr. and Mrs. Harold Rose, Willowdale.

Mrs. W. Kidd, Toronto, spent the weekend with Mrs. Wilfred Lundy.

Mr. and Mrs. Clayton Pogue, Martha Ann and Carolyn, Vandorf, Mr. and Mrs. Earl Pogue, Jackson, Mich., Miss Ada Pogue, Toronto, were guests on Sunday of Mr. and Mrs. Loyal Pogue, Whitby. The occasion was Mr. Loyal Pogue's and little Miss Carolyn Pogue's birthday.

We are sorry to report the illness of Mr. Oscar Tanch, whose home is in Nova Scotia, and who also stayed with Mr. Clayton Pogue. It is reported he is ill in Toronto General hospital with leukemia.

KETTLEBY

The W.A. of Kettleby United church met in the hall March 6 at 3 p.m. with the president, Mrs. L. V. Heacock, presiding, assisted in the worship period by Mrs. F. Schmidt and Mrs. A. McCluskie. The main business under discussion was a donation to the Victor Home and floor covering for the church.

Mrs. Ray announced that she has secured Mrs. Weinberg to speak at the next meeting and she will be prepared to answer questions dealing with racial prejudice. Mrs. F. Curtis supplied the special music, a piano solo, The Rosary. Mrs. L. V. Heacock took the topic which she entitled Thoughts for Easter.

The meeting closed with the hymn, There is a Green Hill Far Away and prayer by Mrs. J. Black.

We would like to make mention of the special Easter services in the church: March 23, 11 a.m., Good Friday; March 25, 7.30 p.m., Easter Sunday; April 1, 7.30 p.m., communion. Plan to attend these services.

The young adult group is sponsoring an evening of education and entertainment with a representative of the Downham Nurseries showing colored slides on Thursday, April 5, 8 p.m., in the hall.

PINE ORCHARD

On Sunday, March 18, Mr. Nathan Mair, Union church, delivered a most impressive message on "The Crucifixion of our Lord". Easter Sunday, March 25, Mr. Mair will take for his subject, "The Crown, the Hope of Immortality".

Mr. and Mrs. Jack Taylor, Toronto, spent Sunday at their home.

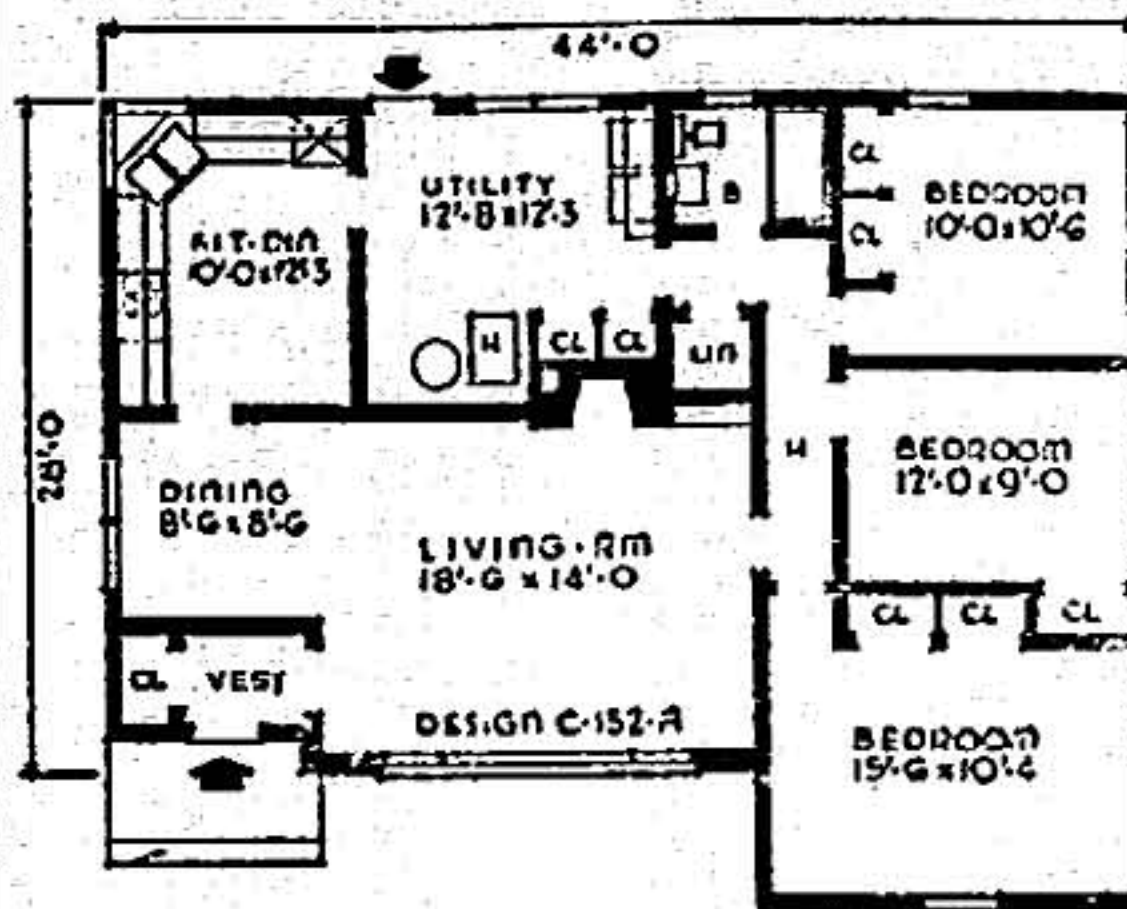

Mr. and Mrs. Charles Brandon, Jr., and family of Uxbridge were Sunday guests of Mr. and Mrs. R. Allen and Miss Aleta Widdifield.

A. Colville. Mr. and Mrs. M. Sheridan, accompanied by Mrs. Lloyd and Mrs. G. Wood, Pine Orchard, called on relatives in Aurora on Sunday.

The flu struck the Geo. Smith home severely. Little Miss Shirley Smith and their hired man, Mr. Brown, were ill for two weeks; also Mrs. Smith and Clark were ill with it.

March 25 is Easter Sunday so all try to attend the church of your choice. At Pine Orchard Union church service will be at 2.30 p.m. with Mr. N. Mair in charge. Sunday-school at 1.30 p.m. Stuart Starr is superintendent. There will be a special Easter offering for the Sunday-school mission fund. Elsie McClure is mission superintendent.

THE GRAHAM PLOW
A size for every tractor. Store moisture in your land and prevent the rains from running off by breaking up the hard pan formed at the bottom of normal plowing or discing. In plowing with the Graham Plow the hard pan is broken through the hard pan by means of chisel furrows 12 inches apart. The surface mulch is left as a protective cover on top of the ground. Moisture by-passes by means of chisel furrows through the topsoil into the subsoil to be stored.

PAROCHIAL GUILD HAS ST. PAT. TEA

A successful St. Patrick's day tea was held in the parish hall by the Parochial Guild of St. Paul's Anglican church, Newmarket, on Friday, March 16. Receiving the many guests were the president, Mrs. John Dales, and Mrs. Jas. Rhodes.

The hall was appropriately decorated with green and yellow paper streamers, large bouquets of spring flowers and shamrocks. Each small tea table was centred with spring flowers.

A busy afternoon was spent by the ladies who operated the nursery for the pre-school age children. Other spots that attracted much attention were the tables of home baking, aprons and candy.

LEGION LADIES PLAN POT-LUCK SUPPER

At the regular monthly meeting of the Newmarket Ladies' Auxiliary of the Canadian Legion, plans were made for a pot-luck supper on Thursday, March 29. The supper will be for the members, their husbands and children. It will be held in the Legion hall at 6.30 p.m. Mrs. Donald Brown, chairman of the ways and means committee, will convene the evening.

The well-attended meeting was held in the Legion hall on Thursday, March 15. Mrs. Paul Tobey presided. A report on the last euchre and cribbage party was presented by the convener, Mrs. Arthur Sheridan. Another party is planned for Thursday, April 5.

Tentative plans were made for the holding of a public dance at

"EASTER" IS THEME AS JR. LADIES MEET

The Junior Ladies' Aid of the Christian Baptist church, Newmarket, met at the home of Mrs. Donald Clarkson on Tuesday, March 15. Mrs. Robert Dick presided.

"Easter" was the theme of the devotional period. It was led by Mrs. Delbert Godson and Mrs. H. Cook. Mrs. Cook also gave a reading.

Completed fancy work and aprons for the annual blossom tea to be held in May were turned in by the members.

At the close of the business session, delicious refreshments were served by the hostesses, Mrs. Wm. Epworth, Mrs. H. Rideout, Mrs. Ralph Adams and Mrs. Chas. Wass.

ROLL BANDAGES

A meeting of the Y.W.M.S. of the Church of the Naarene, Newmarket, was held at the home of Mrs. Cecil Seney on Thursday, March 8. Mrs. A. E. Petersen presided. The evening was spent in rolling bandages. A delicious lunch was served by the hostess and a social half-hour was spent.

PAROCHIAL GUILD

The Parochial Guild of St. Paul's Anglican church, Newmarket, will hold its next regular meeting on Tuesday, April 3, at 8 p.m. at the home of Mrs. Joseph Peat, Andrew St.

the Legion hall during April. Following the business session, refreshments were served by Mrs. Bill Ingram and her committee.

First Annual Carnival Of Figure Skating Club Packs Rink To Capacity

The first annual carnival of the Newmarket Figure Skating club was presented to a capacity crowd in the Newmarket Memorial arena on Friday, March 16.

MAKE PRESENTATION TO 'SHOW' MOTHERS

A presentation was made to the seven committee members of the Newmarket Figure Skating club at the first annual carnival staged at the arena on March 16. Making the presentation was Mrs. Bert Budd.

Mrs. Budd, as a mother of one of the children who had received instruction in figure skating from the club, praised the committee for its untiring work throughout the season. She called attention to their supervision of practice hours as well as the many other tasks which they voluntarily undertook. Mrs. Howard Brice, president, was credited with originating the plan for the club's formation.

Sally Brice, Kathleen Curtis, Heather Davis, Annlyn Henney, Molyneux, Betty Jacques and Susan Dales presented their mothers with cups and saucers on behalf of the children in the club.

R. LOCKHART DRAWS ICE DECORATION

The centre of the ice surface at the Newmarket Memorial arena for the ice carnival on Friday, March 16 featured the workmanship of Ron Lockhart, 16, son of Dr. and Mrs. J. R. Lockhart, Newmarket. The large, attractive design painted by Ron included a girl on figure skates within a circle.

Over her head was the word, "Welcome" and at her feet were the initials of the Newmarket Figure Skating club. Ron was restricted in colors to the two used for the red and blue lines of the hockey games. He began the work at 10.30 and was home for lunch by 11.40.

This was his first attempt at anything on such a large scale. Ron, who attends the Newmarket High school, does many of the posters for the school's special events. He has been interested in painting all his life. He took art lessons from Rev. L. Coupand and plans to attend the Ontario Art college. He is particularly interested in portrait work and many of his canvases have been exhibited locally.

ST. PAUL'S CHURCH

Last Sunday being Palm Sunday, special hymns and anthems marked the day with good congregations both morning and evening at St. Paul's church, Newmarket. This week being Holy week, there have been special services under the auspices of the Newmarket Ministerial association, held this year in the Christian Baptist church every evening at 8 p.m., the last one will be this evening with the Three Hour Service from 12 noon to 3 p.m. to be held at St. Paul's church with meditations on the "Seven Last Words" from the Cross. There was also a celebration of Holy Communion at 10.30 this morning, being Maundy Thursday.

Next Sunday, Easter Day, there will be special services both morning and evening, with a children's service in the afternoon at 3 p.m. The church will, as usual, be decorated with Easter flowers, and the choir will render special music.

The Evening branch of the W. A. held their business and devotional meeting at the rectory last Monday evening, and the Afternoon branch was holding their regular Devotees meeting this afternoon. The flowers on the Holy Table were in loving memory of Mr. Ben Price from the family.

USHER AT HART HOUSE

The Newmarket Dramatic club was honored to have ushers at the Central Ontario Drama festival on its concluding day. Held at Hart House, Toronto, the festival ran from March 12 to 17 inclusive. Members of the local club who acted as ushers on Saturday included Lorne Styke, Audrey Halme, Joyce McMullen, Florence Goldsmith, Fern Russell and Alma Stevens. Dorothy Bowman was hostess.

CATER FOR NURSES

The refreshment committee of York County Hospital Women's Aid under the convenship of Mrs. Archibald Armstrong will provide refreshments at the next meeting of the nurses' association. The association, which was organized in February, meets on the first Tuesday of each month at 8 p.m. The president is Miss Marion Hunter. At the April 3 meeting, which will be held at the hospital, educational movies will be shown.

REPORTS TO C.W.L.

Mrs. Henry Moore reported at the March 13 meeting of the Newmarket Catholic Women's League on the quarterly meeting of the diocesan leagues, held in Rosary Hall, Toronto, with Mrs. E. Knoppe presiding. The meeting passed many important resolutions. Among them was the appointment of a representative to the Children's Film Library board.

The program moved smoothly from one number to another with no delays under the capable guidance of Jimmy Walker as master of ceremonies. As advertised, there were costumes, action, thrills and spills.

The funny little bunnies, girls ranging in age from three to five years, got the program off to a good start. The leader was slightly stage struck when she appeared upon the ice and saw those thousands of eyes peering at her. With some persuasion from the following members in the act she proceeded into the routine and so completely did she forget herself that when the others came to the end and skated off the ice she continued with one more turn round the big circle. Suddenly she realized that she was not being followed. She was alone on that big ice surface. With an Herculean display of prowess, she covered the remaining distance to the exit. The audience was captivated.

No program could be a failure which had begun so well. Here was local interest combined with the freshness and enthusiasm of childhood—a difficult grouping to top.

Local talent was starred in several solos. Among these was "Pettie Waltz" by Colleen Cain, 11; "March Militaire" by Guy Revell, nine; "Little Snow Queen" by Sally Brice, six; "Clancy the Clown" by Lawrence Curtis, 11; "Lavender Fantasy" by Maureen West, 13, and "Oklahoma Overture" by Jean McDonald. A duet was performed by the skating club's "Mr. and Mrs.", Margaret and Keith Davis.

The remaining classes ranging in age from six to high school students, each contributed an interesting group number to the program. Solo work by the club's instructor, Harold Hartley, guest appearances by Velma Lillierop and Muri Bidge, Toronto, and a duet by Miss Lillierop and Mr. Hartley completed the program.

Mrs. Howard Brice, president, made a presentation to Harold Hartley from the club. Mr. Hartley is a member of the Silver Blades Skating club, Toronto, and has starred in many ice carnivals throughout the province.

The arena was decorated with cedars and mauve and yellow streamers. Great clusters of balloons hung from the rafters. An effective entrance had been made by the erection of a screen of cedars across one end of the ice. In the ice itself was an attractive design of welcome, the work of Ron Lockhart.

At the conclusion of the program, all the members of the club were presented with their figure skating club pins.

"The club is thrilled with the wonderful support it has received in its first season. The children were all so enthusiastic. They would have been terribly disappointed if they hadn't had a large attendance."

"We wish to thank everyone for the help and support given us. Since the carnival, the telephone has not stopped ringing, people wanting to register their children for next season's classes, asking us to start instruction for adults or congratulating us on Friday's carnival. We are overwhelmed with the enthusiasm and response to our first carnival."

NEWMARKET MUSIC TEACHERS ORGANIZE

At a supper meeting March 12 at the King George hotel, Newmarket, a branch of the Ontario Registered Music Teachers' Association was organized with the following as officers: pres., Rev. R. Pugh; vice pres., Miss Mae Patterson; sec.-treas., Herman Fowler; executive members, Norman Hurlie and Mrs. G. Wood.

Throughout Ontario there are some 40 such branches operating under government charter with over 1,500 members. The chief purposes of the O.R.M.T.A. are to achieve and maintain a high standard of efficiency among music teachers in all branches of the art and to encourage and develop musical talent in every community.

TO TELL AID OF MEDICAL NEEDS

Dr. Blackwell, chairman of the medical staff of York County hospital, will address a general meeting of the Hospital Women's Aid at the Newmarket agricultural board rooms, Botsford St., on Tuesday, April 3, at 3 p.m.

Dr. Blackwell will tell of the medical needs and requirements of the hospital and advise the Aid of ways in which it can be of assistance to the medical staff. To date the Women's Aid has concerned itself with culinary and domestic supplies.

A cordial invitation is extended to the ladies of North York to attend this meeting; to become members of the aid and to give active support to their hospital.

The citizenship meeting of the Newmarket branch was held in the Agricultural Board room on Thursday, March 15, with Mrs. M. E. R. Boudreau and her group in charge of the program. Guest speaker was Mrs. Nelson Ion, women's editor, Era and Express, who spoke on the topic, "Are we good citizens?" (See March 29 it's A Woman's World.)

In the absence of the president, Mrs. T. A. Mitchell, the meeting was ably chaired by the vice president, Mrs. Elton Armstrong. The meeting opened with the repeating in unison of the Institute ode, followed by the Mary Stewart collect and the Lord's Prayer.

A donation of \$5 was made to the Crippled Children's Easter Seal fund. It was sponsored locally by the Lion's club.

It was decided that five parcels would be sent this year to the British Women's Institute which the Newmarket organization has adopted. The next one will be sent in April. There are over 200 members in the overseas institute so that the members take turns at receiving foodstuffs from the Canadian parcels.

On Tuesday, April 10, a course in aids to effective speaking, part two will be held at the Agricultural Board rooms. Members from Institute branches in North York district will attend. An invitation is extended to all ladies in the district who are interested in public speaking to be present on that day. The sessions will begin at 10 a.m. and last until 4 p.m. Each one brings her own lunch with tea provided by the local institute.

The Frigidare Cooking school sponsored by Geer and Byers, assisted by the Newmarket Institute will be held on the afternoon of Monday, April 9 and the evening of Tuesday, April 10, in view of the speaking course being conducted during the day of April 10.

Members are reminded that the Blue Cross Hospitalization fees are to be paid at the April meeting.

Lakeside branch will hold its regular meeting on Tuesday, March 27, in the memorial centre,

Keswick. The topic is agriculture and Canadian industries. Mrs. Gordon Carr giving the paper on reforestation. Mrs. F. Marritt will also give a talk. The roll-call is to be answered with the name of your favorite tree or shrub. It is hoped that there will be a good attendance of members. All ladies in the community are most cordially invited.

The Pine Orchard branch met at the home of Mrs. Jack Sytema on Wednesday, March 14, with a good attendance despite the stormy day. Following the opening exercises and correspondence, the 1951 Garden Club leaders were chosen, Mrs. D. Hope and Mrs. Harry Brammer. Applications for seeds are to be left with Mrs. Hope this week. It was decided to hold Family Night in May next year rather than February. Mrs. Sytema and Mrs. Hope gave a full report on the Aurora Conference. "Foods that Healthy Children Like". A donation was approved for the Crippled Children Fund. Our nominating committee is composed of Mrs. H. McClure, Mrs. J. Hope and Mrs. R. Armitage.

Mrs. Klockoff gave us a very stimulating talk on "Love thy neighbor as thyself". Mrs. S. Edwards gave a short history of the formation of the Mary Stewart Collect and Mrs. E. Sheppard conducted an Old Fashioned Flower Garden contest. A lovely spring lunch was enjoyed by all.

MONTREAL. — Spring makes us women long to get out of dusty, rusty winter clothes into something light and gay and definitely becoming. And even on a rainy March day, we can be smart-as-you-please in a LOU RITCHIE RAINMASTER! . . . Just wait 'til you see the "Rainmaster" trenchcoat—smart rain or shine—smart Spring and Fall! Made with matching linings and hemo interlinings to help keep its trim shape. Style 777 at \$29.95 . . .

of fashion-wise corduroy is a coat you'll love and live in this Spring! Choose it in your favourite colour—Red, Green, Grey, Wine or Navy with a heret to match! The Lou Ritchie "Rainmaster" . . . Style 710 . . . just \$35.00.

Glorious Easter inspired Swans Down's wonderful Easter Glory Cake. It's as simple to make as it is attractive to see and tempting to eat. The enchanting frosting—jelly bean "eggs" snuggled in nests of lacy coconut—covers a miracle of fluffy, golden, moist and tender cake. That's because it's made with SWANS DOWN CAKE FLOUR, and is, as all cakes are when made with this super-fine flour, Swans Down wonderful! It's a budget-wise cake too, calling for only 2 eggs. I know you'll enjoy making the Easter Glory Cake, as much as your family will enjoy eating it!

To Mix: Use recipe for Lucky Day Cake on back of Swans Down Cake Flour package.

To Bake: Bake in layers as directed in recipe. Cool. To Frost: Prepare your favourite fluffy white frosting. Spread between your cake layers, and on top and sides of cake. Sprinkle generously with Baker's Coconut. Garnish with vari-coloured jelly beans, to represent Easter eggs.

Only The Rich could afford to drink tea in the days of Queen Elizabeth. Tea taxes in England were so high that tea smuggling was a common occurrence. In fact, more than half the tea drunk in England was smuggled into the country. The King's men whipped and hanged the daring smugglers, but they were regarded more as heroes than as criminals by the people, for tea, even then, was a much-sought-after beverage. In those days, it wasn't blended, but was consumed by single varieties and would be almost unrecognizable as tea to us. Today tea blending is an art . . . a skill—mastered by the members of famous RED ROSE TEA. Yes, you know from the first sip that Red Rose Tea is good. Its famous flavour—its truly satisfying goodness—make it the favourite in thousands of Canadian homes—at tea-time—and all the time! And remember that Red Rose Coffee is as good as Red Rose Tea.

If "Once-A-Week" Exercise is all you get in March—and that's the way with so many of us, you know that often sore muscles are the unhappy result. That's why I always like to have a bottle of SLOAN'S LINIMENT handy. Just put it on and it eases the pain in minutes! No rubbing is necessary . . . the gentle warmth of Sloan's Liniment penetrates deep down and relieves the pain. It offers wonderful relief for the aches of strains, sprains or rheumatism and neuritis, too. Yes, around our house, Sloan's is "tradition", just as it is with so many Canadian families. Ask for a bottle next time you visit your drugstore. It's very reasonably priced—just 50¢ for the small-sized bottle—90¢ for the large.

Just A Little Thing, but Oh! That's CALUMET-MAKING POWDER. Calumet's two-way action—first in the bowl and then when it's heated—makes all your baking perfectly leavened, light and melting as a dream. Try these Nut Waffles and see what marvelous things Calumet can do for a waffle batter.

2 cups sifted flour
2 1/2 tspns. Calumet Baking Powder
3/4 tspn. salt
2 eggs, well beaten
1 1/2 cups milk
5 tspns. melted shortening
1 cup chopped nut meats
Sift flour once, measure, add baking powder and salt; stir in bowl. Combine eggs and milk. Add to flour mixture, add shortening, then mix until smooth. Bake in waffle maker 3 to 5 minutes or until steam ceases to rise from iron. Serve hot with butter and syrup. Makes about 5 seven-inch waffles.

Something For The Youngsters to make and to eat . . . both with equal enthusiasm! Yes, JELL-O PUDDINGS are so easy to make—so completely delicious when they're made that they're fun from beginning to end! And that's not all! For Jell-O Puddings are an ideal way for your children to get more milk nourishment. So serve them often! . . . Creamy-rich custard and Butter-cream Jell-O Puddings—certainly smooth Vanilla—full-flavoured Chocolate . . . and the tempting Jell-O Tapioca trio . . . Orange Coconut, Vanilla and Chocolate. Jell-O Puddings take just five minutes to prepare and they're wonderfully economical!

YORK COUNTY HEALTH UNIT

IT'S A Woman's World

By CAROLINE ION

There is no need to hire the services of Sam Slick, Boston Blackie or any other "Private Eye" to determine the whereabouts of the majority of Newmarket residents on Friday night. Along with about 2,000 others, we attended the ice carnival presented in the Memorial Arena by the Newmarket Figure Skating club.

Many who rarely miss an event in the arena said that they had never seen such a crowd there before. The previous night the arena had been packed with an estimated attendance of 1,700, but that crowd was made up almost entirely of adults. We felt it was a conservative estimate to set the attendance at the carnival at the 2,000 mark considering the number of children present. Early in the evening, all the seats were filled, and with many, many more still arriving everywhere moved over and made room for a few extra in each section of seats.

As for the carnival itself, it was wonderfully successful. It far surpassed the expectations of even the most optimistic club member. At the close of the program we chatted with a large number of the audience before leaving the arena. The consensus was that it had been an excellent show, well timed with no waits between numbers, varied in program, humorous and very promising in local talent.

Even the intermission was interesting when the boys in the club, dressed as clowns, took to the ice. Distributing balloons to the small fry in the audience, their unrehearsed, boyish pranks were highly amusing. What's more, it gave them a chance to blow off a little surplus steam. Two hours is a long time for a boy to sit quietly in costume.

The highlight of the evening was the concluding solo by the club's instructor, Harold Hartley. His skating was graceful and effortless. It seemed as if he had captured the poetry of motion.

Velma Lillierop and Muri Bidge, skating associates of Mr. Hartley from Toronto, added the accomplished touch of the professional to the proceedings. Everyone was delighted with the antics of the comedian, Mr. Bidge. Dressed in a ballerina costume, appropriately padded, he performed a slap-stick version of a dainty waltz. The children in the audience appreciated every double-jointed movement of this gifted comic. They insisted on a second encore.

Miss Lillierop's solo was beautifully executed as was the duet number which she and Harold Hartley performed. Her costumes, like those of the entire cast, were lovely.

Unlike many small town productions, the costumes were not the handiwork of the cast's mothers. The black and white striped numbers worn by the teen-agers in "Mississippi Mud" had been used in the Army and Navy shows.

So often, when Mary or Johnnie take part in a concert, play or exercise, it means hours of mother's time are involved in dressmaking, fittings, etc. Unfortunately the total results frequently fall far short of professional costing when the children are brought together for group work. Having the identical costumes for the class numbers added greatly to their general attractiveness from the audience's viewpoint. That the costumes fitted the cast and so admirably suited the particular number in which they were used speaks volumes for the efficient manner in which the club's committee did its work.

We called attention in a front-page story last week to this group of seven women. The success of the carnival more than justified all their work. Of course, in all such enterprises, there are many more who help wherever they can and whose efforts frequently go unsung. All of us who have tried our hand at staging public ventures know the time that is required for decorating, make-up of the cast, lighting and dozens of other last-minute details. It is only through the contribution of many volunteers' talents that such an evening as we enjoyed on Friday is possible.

The admission prices deserve a word of praise. With the cost of everything skyrocketing, parents were delighted to learn that children's admission was only ten cents. Twenty-five cents for students and 50 for adults was very reasonable. Proceeds from the carnival will go to the club to help defray expenses for next season's operation. The costs of staging such an enterprise are high with rental for the costumes and arena only two items on the long list of expenditures.

The 140 local children in the cast seemed to thoroughly enjoy themselves. There were a few spills caused by such things as a piece of balloon on the ice as well as first-night nervousness. But like real trouper, in each instance, they resumed the act immediately.

The audience was greatly impressed with the evidence of skating ability among the town's children. They applauded each special twirl or leap; groaned when a mishap occurred and encouraged the skater to try again. Some had attended the carnival more from a sense of duty or a liking for children's performances, not expecting to witness any great display of skating talent. They were amazed at the show. We, with them, wish to extend our congratulations to the Newmarket Figure Skating club on its first carnival. They have set a high standard.

THE HOMEMAKERS

Advice To Cooking Novice

For many brides it is a frightening task when they begin the job of preparing three meals a day and trying their hand at a cake or pie. Contrary to popular belief, good cooks are made, not born.

The novice at the sport of cooking need only follow the rules and, with a little practice, she will find herself among the experts. Cooking may be truly a game to be enjoyed in the playing and appreciated according to results.

The first rule is to find a reliable source of recipes and follow them exactly. This source may be a well-known cook book or an experienced homemaker. Accuracy in following the rules is essential for a beginner.

Ease in handling kitchen utensils and using the correct utensil for the food being prepared comes only with experience. The old story of the bride who used all the dishes in the house to hold her rice as it continued to expand, could never apply to the modern girl who follows accurate instructions. The accuracy of the oven control or the vagaries of the oven without control should be studied until using the oven becomes familiar routine. It is surprising how much can be done with a few basic recipes. The more elaborate dishes can wait until later.

PLAIN CAKE

1/2 cup shortening
1/2 cup sugar
2 eggs
1 tsp. vanilla
2 cups sifted pastry flour
3/4 tsp. baking powder
1/2 tsp. salt
1/2 cup milk

Cream shortening until fluffy, gradually cream in sugar. Add beaten eggs and vanilla and beat thoroughly until light and creamy. Mix and sift dry ingredients and add a third at a time alternately with the milk, combining lightly. Bake in a greased cake tin 8" x 8" in a moderate oven, 350°, for 40 to 45 minutes. Turn cake out on a rack to cool.

CELEBRATES BIRTHDAY

A birthday party was recently held at the home of Mrs. T. Taylor in honor of her brother, Mr. Thomas Armour, Toronto. His many friends congratulated him on his 71st birthday.

a Little buys a Lot of telephone service

EVERY DAY we receive hundreds of requests for service. Its cost hasn't gone up as much as most other things you buy; in fact, your telephone bill now takes a smaller part of the family budget than it did five years ago.

With more and more families getting telephones, you can now talk to twice as many people. And so, in that way alone, you get a lot more telephone service for your money.

At the same time, the quality of telephone service keeps steadily improving in many ways, and, as always, telephone people try to be helpful and friendly. Any way you look at it, today's telephone is big value!

If you haven't got service:

You can be sure your neighbourhood will be served, and your place on the list protected. Taking care of people without service as quickly as possible is one of our biggest and most important tasks.

OBITUARIES

Mrs. Norman Simpson

Born and raised in Newmarket until 1903 when the family moved to Burke's Falls, Mazo Gladys Simpson died at her home in Toronto following a lengthy illness on March 1.

She was born in Newmarket in 1891, the daughter of Mr. and Mrs. William Trivett. She was raised in Newmarket, attending Newmarket schools until the family moved to Burke's Falls in 1903. Later they moved to Toronto.

She married Norman Simpson in 1923 and he survives her. She was a member of Runnymede United Church in Toronto, the Teachers' Wives' Ass'n., and Vera Clarke Auxiliary. She is also survived by one daughter, Fatty Ann Simpson, and her mother, the former Minnie Wesley.

Funeral services were conducted at York Funeral Home by Rev. W. E. Jewitt and interment was in Newmarket cemetery. Pallbearers were John Simpson, E. Smyth, R. Seaman, F. Buttler, G. Smart and H. Baldwin.

Stanley Mahoney

Stanley Edwin Mahoney, Keswick, died in Western Hospital, Toronto, on Feb. 25 of flu, followed by pneumonia. He was ill ten days. Mr. Mahoney was born in North Gwillimbury township in 1888. He was the son of Loretta York and Thomas Mahoney.

He married Edith Mae Anderson in June 19, 1912, and she survives him. Mr. Mahoney was a farmer and well known figure in the township.

Other survivors are three sons, Jack, Willow Beach, FO Dan, Centralia, and Edwin at home,

a daughter, Mrs. Russell Pollock, Ravenshoe, a brother, Percy, Keswick, and two sisters, Mrs. R. J. Pollock, Keswick, and Mrs. S. C. Cook, Sutton.

The funeral service was held from Strasser Funeral Home on Feb. 28. Rev. Mr. Campbell officiated. Interment was in Queensville cemetery. Pallbearers were Cecil Grant, Frank Knights, Wm. King, Donald Anderson, Erwin Winch, and Bernard Davidson.

Mrs. Eliza Tilson

Mrs. Eliza Jemina Tilson, Kettleby, died at the home of her daughter in Aurora on Feb. 28 after an illness of six months. She was born in King in 1875, the daughter of Emeline Heacock and Charles Stephenson. She married John Wesley Tilson in 1895, and he predeceased her in 1938.

She was a member of Kettleby United Church and active in the Women's Association, and Women's Missionary Society. Her chief interest was in her home, family and church.

She is survived by one son, Carman, on the home farm at Kettleby, three grandsons, John, Lloyd and Bruce Tilson, a daughter, Mrs. Phyllis Davis, Aurora, and two sisters, Mrs. M. Rockhill, Kettleby, and Mrs. W. W. Andrews, Manitoba.

Rev. D. Ray, Kettleby, assisted by Rev. H. Howey, Aurora and Rev. George Purchase, conducted the funeral service from Thompson's Funeral Home in Aurora on March 3. Interment was in Aurora cemetery. Pallbearers were Ellwood Davis, S. J. Heacock, W. H. Stephenson, William Adair, Elmer Edwards and Roy Geer.

Earl Delmer Barkey

Earl Delmer Barkey, Aurora, died at his home on Connaught St. on March 12 following an illness of seven months. He was born at Lemmonville in 1894, the son of Mr. and Mrs. Joseph Barkey, now living in Toronto.

He married Isabel Osborne in 1923, and she, and a daughter, Vera Loraine, survive him. He was a shoemaker and for the last 20 years, was in the egg business. He was a charter member of the Aurora Lions club, and an adherent of St. Andrew's Presbyterian church.

Other survivors are a brother Otto, at Queensville, and a sister, Ila De La Haye, Newmarket. The funeral service was conducted at Thompson's Funeral Home by Dr. W. O. Mulligan on March 15. Pallbearers were George Teasdale, Dales Borden, Wilfred McDowell, Wyatt Baldwin, Rueben Long and Norman Egan. Interment was in Aurora cemetery.

Mrs. Florence Starr

Florence Evaline Willoughby Starr died quietly on Feb. 14 and funeral services were held for her at the chapel of Roadhouse and Rose on Feb. 17.

She was born at Arkill, Wellington County, in 1870, the daughter of Thomas and Jane Willoughby. She moved with her family to Toronto where she helped her father in his grocery store until her marriage to Albert Edward Starr of Bogartown. They lived there, first on a poultry farm and then on a dairy farm, until the early 20's when they moved to Newmarket where her husband organized and became first manager of the Newmarket Farmers Co-op. Mr. Starr died on Aug. 27, 1946.

Mrs. Starr was a faithful member of church and while in Bogartown, conducted a Sunday school class. Soon after coming to Newmarket, she and her husband became interested in the Church of the Nazarene and were charter members of the church in Newmarket. They were liberal supporters of the church.

Last fall she had an accident and was confined for a time in York County hospital, later going to the convalescent home of Mrs. Vera Arnold. She seemed to be improving when she died quietly of a heart attack.

The funeral service was held at the chapel of Roadhouse and Rose. Among those attending from a distance were her daughter, Mrs. David James, Estevan, Sask., a grandson, Donald James of Windsor, Mr. and Mrs. Richard Starkey, Arkill, Mr. and Mrs. Hart, Toronto, Mrs. Ida Wilson, and Miss Irene Rudd of Guelph. Pallbearers were W. G. Williams, A. Elphinstone, G. Heacock, Herman Wrightman, Elton Armstrong and W. M. Mino.

Together with her daughter, two grand-daughters, and two grandsons, she was survived by one great granddaughter, and a score of nieces and nephews to the third generation.

John F. Dean

The funeral service was held for John Francis Dean, Mount Albert, on March 8 following his death by accident. The service was conducted at Locust Hill by Rev. S. C. Shapter and Rev. McLachlan. Interment was Elmwood cemetery, Markham.

He was born in Renfrew county in 1885 and he married Violet McLaughlin in 1911. He was a farmer and member of the United Church. Besides his wife, he is survived by seven sons, Wesley, Milton, Wilbert, Hilliard, Manford, Donald and Garnet, and two daughters, Mrs. W. McCarthy (Muriel) and Mrs. J. Mears (Hazel), three brothers, Wesley, Emerson and Irvin, and a sister, Mrs. Ross McEwen (Mary).

Pallbearers were Kenneth Reesor, Bruce Lapp, Stanley Milroy, Howard Toole, Gordon McGuckin and Carson Crone. Honorary pallbearers were T. L. Wilson, W. S. Reesor, A. W. Milroy, O. A. Hagerman, A. S. Pherrill and John Graham.

James Denne

Funeral service was held for James Parham Denne at Roadhouse and Rose chapel on March 10. Interment was in Newmarket cemetery. Rev. Henry Cotton conducted the service.

Mr. Denne was well known throughout the district as an active hockey and baseball fan. Sports were his chief interest. He was employed as a real estate agent for J. A. Willoughby and son.

Mr. Denne died suddenly at his Newmarket home. He was born in 1883, the son of Mr. and Mrs. Jos. Denne, Second St. He married Myrtle Grant in 1910. He was a member of Trinity United Church.

He is survived by two daughters, Mrs. John Kitching (Alma), Holland Landing, and Ruth, and a sister, Mrs. Seymour Greig (Nestico). Pallbearers were Max Smith, J. P. Jefferson, Stan Sheppard, Jos. Brammar, Harry Hill and Ernie Wright.

Mrs. Beulah Pickett

Mrs. Beulah Pickett died March 10 at the home of her daughter, Mrs. Max Urquhart, Zephyr, following an illness of several months. The funeral was held in Uxbridge on March 13 with interment in Uxbridge cemetery. Rev. Gorman and Rev. L. E. Atkinson conducted the service.

Mrs. Pickett was born in Udora, the daughter of Elizabeth and Samuel McDowell in 1867. She married Joseph Pickett in 1883, and he predeceased her in 1912.

She was a life-long member of the Baptist church.

She is survived by four daughters, Mrs. Harlan Wagg (Verna), Mrs. Frank Cook (Mabel), Mrs. Mrs. Asa Forsythe (Effie), and Mrs. Max Urquhart (Hazel), ten grandchildren, and 11 great grandchildren, and sister Mrs. Lottie Watts, St. Paul, Min. A sister, Mrs. Sylvannus Baker, predeceased her.

Pallbearers were grandsons, Hanford Wagg, Stanley Urquhart, Turner and Joseph Forsythe, Bruce and Morley Cook. Flower-bearers were Donald Cook, Elmer Wagg, Charlie Forsythe, and Donald Urquhart.

Mrs. Mary Smith

Mary Eliza Smith, Queensville, died at Maple Hill farm on March 9 after a short illness. Rev. Elsie conducted the funeral service at Strasser Funeral parlors on March 11 and interment was in Queensville cemetery.

Born in 1865 in North Gwillimbury, she married William Thompson in 1900 and he predeceased her in 1926. She was an adherent of the Maple Hill Baptist church and her chief interests centered about her home and garden.

She is survived by one son, Herbert, Hamilton, three daughters, Mrs. Woodward, Ravenshoe, Mrs. Fritz, Toronto, and Mrs. Leitch, Queensville, and a brother, Thomas Smith, Baldwin.

Pallbearers were M. McKelvie, D. McGenerty, Archie Smith, Angus Smith, E. Pollard and C. Hodgson.

HOLLAND LANDING

The Easter service will be held in the United church on Sunday afternoon at the usual time, 2.45. Everyone welcome. The Easter thank-offering service will be held on Wednesday afternoon, March 20, at 2.30 in the United church. The guest speaker will be Mrs. E. Starr, Newmarket. All ladies are invited.

MAPLE HILL

Miss Joyce Knights, Toronto, spent the weekend at home.

There was a good attendance at church and Sunday-school last Sunday. It was good to see so many back who have been sick.

Next Sunday a special Easter service will be held. Mr. Jim Rendle, Philadelphia, will be the special speaker and a quartet from Galt will bring messages in song.

Mrs. Johanna Foster

Born in Zephyr in 1887, Mrs. Johanna Foster died at the home of her daughter, Mrs. S. Banks, Woodbridge, suddenly on March 11. The daughter of Mr. and Mrs. Joseph McKelvey, she married Walter Foster in 1906. He has been blind for the past four years, and a patient for the past five years at the Red Chevrone Hospital in Toronto. He was employed for several years at Davis Leather.

Surviving are Mr. Foster, two sons, Alvin of Dunbarton and Herbert of Weston, three daughters, Mrs. Alex Lees (Verna) of Toronto, Mrs. S. Banks (Edith) of Woodbridge, and Mrs. Ed Collett (Olive) of Aurora, six brothers, Frank, Norman, Jim, Merrill, Harry and Gordon, three sisters, Rosie, Keswick, Jean, Newark, and Olive, Newfoundland, 11 grandchildren and one great grandchild.

Pallbearers were grandsons James Lees, Alvin Lees, and Robert Banks, and nephews Robert Sparks, Henry McKelvey and Gordon McKelvey.

\$6500 IN CASH PRIZES

100 PRIZES IN THE POT!

TWO GRAND PRIZES \$1500 EACH

SOLVE THIS SIMPLE PROBLEM NOW TO ENTER THE CONTEST

WHO MAY ENTER—Contest is open to anyone residing in Canada, excepting any person, or any member of the family of such a person, who has won \$300.00 or over in any contest whatsoever. Also excluded are employees of The Canadian Hobby-Craft Magazine, or members of their families.

THE PROBLEM—In the puzzle, four creatures are going after that POT OF GOLD—a hare, a tortoise, a bird and a fish. They're going to run for it, crawl for it, fly for it, and swim for it. What they don't know is that three of the paths are blocked, and only one is clear.

Your job in solving the puzzle is to find out which path is open to the centre. You will simply have to trace it out for yourself and see. Then you'll know which creature can reach the gold.

WHO WILL REACH THE POT OF GOLD—Will it be the hare, the fish, the tortoise or the bird?

Each creature is stationed at one entrance to the maze. Every line in the sketch represents an insurmountable wall. One entrance, and one only, leads to the centre. Which creature can reach the POT OF GOLD? A little effort now can win you one of those handsome CASH PRIZES. But you should ACT NOW.

Report to Metropolitan Policyholders for 1950

ANOTHER YEAR OF OUTSTANDING SERVICE

THERE COULD BE no better summary of the Metropolitan Life Insurance Company's activities and achievements during 1950 in the United States and Canada than the following message with which President Charles G. Taylor, Jr. opens the Company's Annual Report to Policyholders.

"You have every reason to be pleased with the results of the operation of Metropolitan in 1950.

"The major test of a Life insurance company's value to the public is in the payment of benefits to policyholders and beneficiaries and in the

increase of the insurance protection which the company affords them. New high records in each respect were made in 1950.

"Metropolitan has been able to maintain this year, with minor modifications, the prevailing dividend scales. The Company has also made appropriate additions to surplus funds and contingency reserves held for the protection of policyholders. This means that, with very few exceptions, individual policyholders' dividends will be equal to, or greater than, the dividends paid last year.

High Lights

Payments to policyholders and their beneficiaries . . . \$837,000,000 — the greatest sum ever paid in benefits in any one year by the Company.

During 1950 the ownership of Metropolitan Life insurance was increased by a record amount of \$3,725,000,000.

The total in force was \$45,425,000,000 on the lives of 33,150,000 persons — \$21,930,000,000 was Ordinary; \$10,464,000,000 was Industrial; and \$13,031,000,000 was Group.

After deducting investment expense, the net rate of interest earned was 3.07%.

METROPOLITAN'S OPERATIONS IN CANADA

These high lights of the Company's business in Canada during 1950, our 75th year in this country, will be of particular interest to Metropolitan's Canadian policyholders and their beneficiaries.

Payments to Policyholders and Beneficiaries

Metropolitan paid in 1950 to its Canadian policyholders and their beneficiaries \$44,121,559 in death claims — matured policies — benefits in the event of either accident, sickness, hospitalization, surgical or medical expense — dividends and other payments. Of this amount, 70% was paid to living policyholders.

The total amount the Metropolitan has paid to Canadians since it entered Canada in 1872, plus the amount now invested in Canada, exceeds the total premiums received from Canadians by more than \$401,000,000.

Life Insurance in Force

In 1950, Canadians bought \$217,020,846 of new Life insurance protection in the Metropolitan, bringing the total of the Company's Life insurance in force in Canada to \$2,508,305,363. This amount is made up of 37% Ordinary business, 28% Industrial business, and 15% Group.

Total Investments in Canada

Metropolitan investments in Canada amounted to \$602,587,542 at the end of 1950. These investments are playing an important part in the economy of Canada with substantial totals of Federal, Provincial, and Municipal bonds and with sizeable totals in the obligations of steel and paper companies, the oil industry, railroads, electric light and power companies, and others.

Health and Welfare Work

Since 1909 Metropolitan has conducted a continuous health education campaign in Canada and during 1950 participated in numerous activities. Nearly 2,000,000 pamphlets on a variety of health and safety topics were distributed — monthly health advertisements appeared in national publications — "Good Hints for Good Health" was a daily feature on many radio stations.

Mr. Donald Skinner of Toronto spent the weekend with his parents here.
Miss E. Keenan of Winnipeg spent the weekend with Mr. and Mrs. Wm. Marchant.
Quite a number from here attended the funeral of the late Mr. John Breton on Friday at Tottenham.
Mrs. W. Walls of Kettleby returned home on Tuesday after spending a few days with Mr. and Mrs. Greensides.
The sudden death of Mr. Wm. Stonehouse, son of Mr. and Mrs. E. Stonehouse, shocked the community last Tuesday when the word came. He was born in Schomberg and went to school here. A few years ago he went to Toronto and took a position.
The funeral was held from the home of his parents on Thursday with service in the Anglican church and the burial in the Anglican cemetery at Lloydstown. He leaves to mourn his loss a wife and one little girl, his parents, and one sister, Lois (Mrs. R. Tanner), Toronto. We extend our sympathy to Mr. and Mrs. E. Stonehouse.
Mr. and Mrs. W. Aitchison, Mr. E. and Miss Cora Aitchison spent Tuesday with Mr. and Mrs. F. Burnett at Richmond Hill.

TO WHOM IT MAY CONCERN
Dear Friends,
I appreciate very highly your kind co-operation and consideration you have shown me while unable to take my place in my office during the last six weeks to do business. I expect to be there every afternoon from now on; full time later.

Elect Norman Tyndall Jr. Farmers President
A successful annual meeting of the York County Junior Farmers' Association in Newmarket Saturday with more than 40 members representing five active county clubs in attendance, Norman Tyndall, Richmond Hill, was elected president for the coming year. Other members of the executive include past pres., Stuart Watson, Agincourt; vice pres., Shirley Garthshore, Sharon; sec-treas., Myrna Coulson, Unionville. Carl Boynton, Woodbridge, was elected as county director to the provincial Junior Farmers' Association.
The meeting was called to order by the retiring president, Stuart Watson, at 10.30 a.m. sharp and a lively sing-song led by Anna Orr, Vellore, preceded the business meeting. The secretary in presenting the financial report indicated that \$152 had been realized for the Winnipeg Flood Relief Fund from the September dance and draw. Reports on various projects in which the organization participated during the year were made with Bob Petch, Gormley, reporting on the provincial tractor driving competition; Jeanette Harrison, Mount Albert, covering the district camp activities; Norm Tyndall, covering the district camp activities; Norm Tyndall covering the U.S.A. bus trip, and Bob Hamilton, Schomberg, on provincial camp.
Following the noon lunch the group participated in a quiz contest in which members of two teams attempted to give the correct answers on various points of procedure common to business meetings. This feature presented an opportunity to all members present to decide what they would do in similar situations and falls in line with the idea that Junior Farmer organizations

Kettleby News
We wish everyone in the community a very happy Easter and may its wonderful message give us all courage and hope in these trying days.
Several members of the Kettleby Farm Forum attended a Folk School at Edgley, put on by the Farm Forum there, at the home of Mr. and Mrs. Sinder on Saturday, March 17.
Christ Church Ladies' Guild met at the home of Mrs. W. Gilham on Tuesday, March 13. The quilt wasn't quite finished, so three of the members went back on Wednesday. We were very glad to welcome Mrs. Abbott back again; it is the first time since she broke her arm at Christmas.
Birthday greetings to Mrs. Hughes and Mrs. G. DeVries who both celebrate their birthday on Monday, March 19. Also to Mrs. F. Crave whose birthday is March 22. Happy birthday to you all.
Farm Forum met at the home of Mr. and Mrs. G. Cook on Monday, March 19.
Owing to the muddy condition of the roads, attendance at Christ church wasn't very good but those who were present, enjoyed the beautiful Calla Lily placed there by Mrs. N. Greensides. We were pleased to welcome Mr. and Mrs. J. P. Jefferson at the service.
4th Line Euchre club met at the home of Mr. and Mrs. Carl Black on Friday, March 16.
Services next Sunday, March 25, Easter Sunday at Christ church will be: Sunday school, 2 p.m., Easter Communion, 3 p.m., at which service all members should be present.

MOUNT PLEASANT
Mr. and Mrs. Percy Brown spent last Sunday in Markham.
The ladies of the Guild had a quilting bee this week at the home of Mrs. Bernard Davidson.
Mr. and Mrs. Gordon Stiles of Newmarket were at the home of Mr. Stiles' parents, Mr. and Mrs. Ross Stiles last Sunday.
Mr. and Mrs. Withers of Angus visited the Mount Pleasant church on Sunday.
Mrs. Bert Stephens and her sister, Miss Leggett, England, spent the weekend in Toronto and Niagara.
Mrs. Willard Cryderman and Mrs. Lloyd Kay spent Tuesday at the home of their parents, Mr. and Mrs. Robt. Davidson.
There will be Bible study at the home of Mr. Alex Hopkins on Tuesday, Mar. 27, at 8 p.m.
Mr. and Mrs. Robt. Davidson spent their 49th wedding anniversary on Monday quietly at their home.
Please keep in mind Sabbath school at 2 p.m. Worship at 3 p.m.
Mrs. Everett Yorke is holidaying in Tyrone.
Mr. and Mrs. Ted Barker are on the sick list.
Mr. Harris Wight has returned to his farm again after an absence of two years.
Mr. and Mrs. Alex Hopkins had supper on Friday with Mr. and Mrs. Gordon Harper, Keswick.
RAVENSHOE
The W.M.S. will meet Wednesday, March 28, at the home of Mrs. Irvine Rose. Roll-call, a Scripture verse containing the word "eternity". Mrs. Merton Rutledge will be in charge of the study book. All ladies welcome.
Mrs. L. Laws, Keswick, spent Sunday with Mrs. S. Armstrong.

Oak Ridges News
CORR., MRS. L. E. ROLLING, PHONE KING 8
When the tie rod of his car broke, Garry Tustin, 19, Steele's Ave., lost control of the machine at Bond Lake curve, Yonge St., early last Sunday morning. The car travelled 15' off the highway, through a hedge, ending against a tree. Young Tustin and his five passengers were not injured. The car remained upright, the tree stopping it from overturning. The right side of the vehicle was smashed in, causing \$175 damage. P.C. A. E. Houldsworth investigated.
Numerous car accidents causing property damage were reported by provincial police during the busy early evening hours on Monday night at the peak of the snowstorm. One of such occurred on highway No. 11, opposite the Wheelhouse, north of Oak Ridges. When C. L. Stephenson, Oak Ridges, drove to the roadside to wipe off the snow-covered windshield, a car coming from behind hit the rear bumper, bending the exhaust pipe. A third car collided with the rear of number two, damaging its radiator. About \$500 damage was done to the second and third car. P.C. McLeod, Thornhill, investigated.
Mrs. D. R. Gunn and Mrs. Wilton, Port Credit, lunched together at Simpson's Arcadian Court on Wednesday noon. Mrs. Wilton lived at Lake Wilcox a year or so ago.
Mr. James J. Wall has been awarded a contract by Oak Ridges school board for installation of a water system at the school. Underground pipes from a dug well will carry water to both buildings to set up two drinking fountains, the work will be done in the Easter holidays. The school board has called for tenders to paint the eavestroughs and window sashes of the main building. They will be done in white. It is a great many years since a paint job has been done on these parts of the building.
Mr. C. L. Stephenson, president of Oak Ridges Lions, with his wife, Mr. and Mrs. Bob Woolley, Mr. and Mrs. Jack Blyth, Mr. and Mrs. R. K. Styrmo, Mr. and Mrs. Leo McDonald, Mr. and Mrs. Clarke Archibald, King, were present at the zone dinner at Graystones, Aurora, March 16, when Walter C. Fisher, Queenston, past president of the International Association of Lions clubs, was guest speaker.
Mr. and Mrs. Edward Craig, Oak Ridges, and Mr. Stratton, Toronto, spent the evening of March 17 at the home of Mrs. Sue Mosley, Wildwood Ave., Lake Wilcox.
Mr. and Mrs. Arthur Barkey and children, Roy, Gary and Donald, Toronto, were among several to pay a brief visit last Sunday at Lake Wilcox. When school closes in June, the Barkeys will spend the summer at the lake.
Mr. Ronald Macintosh, chairman of the Lions civil defence committee, motored to King on Monday evening to attend a meeting of local citizens in the interests of Civil Defence organizations at King. Unfortunately, Mr. Macintosh found that the meeting had been postponed because of heavy roads. Speakers from Toronto had decided not to venture out in the storm.
Mrs. M. Appleton will represent Oak Ridges Home and School at the annual session of the Ontario Educational Association held in Toronto during Easter week. The president, Mrs. Bob Woolley, will be unable to act in this capacity.
An interesting fact comes to light from Reid's Cleaners, from their Oak Ridges office, Bond Ave. Mr. Harold Reid, owner of the plant located at Weston, notes the increase in the number of coats, suits and dresses that are being dyed during the past few months. He attributes the upsurge, particularly of woolen garments, to advancing prices of clothing. "There is a definite tendency to make the most of good clothing that might otherwise be discarded," Mr. Reid pointed out.
Mrs. Beatrice Geddes spent the weekend with Mrs. Alfred Smith, Toronto.
Mr. A. E. Patchell, Lake Wilcox, had a busy and enjoyable time during the Sportsman's Show at Toronto. A jeweller by trade, Mr. Patchell displayed a wide variety of sports trophies from his Victoria St. store, Toronto. He not only received a large number of orders, but renewed old acquaintances from all parts of Ontario. His goods go as far west as Yellowknife. For the next eight weeks, Mr. Patchell and his son, Albert, will be busy "day and night" filling out orders.
To say the least, a visit to the Patchell shop is a revelation in workmanship. There are trophies and shields for every known form of sport, ranging in various sizes. To one who has little knowledge of the business, the number of customers of the sports world, coming and going constantly, is amazing and interesting.
The shield and replicas known as the Edna Loundes Memorial Trophy was produced by Mr. Patchell. Under the direction of Oak Ridges Lions the shield will be "kept in the local school", the replica of which will be presented to outstanding graduate of the year.
Spring will find Mr. and Mrs.

Tony Dawson, Toronto, and Mr. and Mrs. James Gilchrist, Winnipeg, returning to their summer homes at Lake Wilcox.
Ridge Inn was filled to capacity with dinner guests last Sunday afternoon, an indication of what the new season has in store for the McCachens and staff. At 9 p.m. they could take in no more guests, so heavy was the rush. It was necessary to set extra tables in the foyer.
Mr. and Mrs. F. Rienkoester, Oshawa, visited their daughter, Mrs. Wm. Hanna, who is nursing her children, Betty and Jackie, ill with measles.
Mrs. C. Gowan is spending a week or so with her mother at Oakville.
Jennifer Mosley is six. She "lost her two front teeth". She ate some pie. Her teeth disappeared.
Mrs. Stuart Acheson and son, Bobby, are visiting at Kansas City.
Mr. and Mrs. Robert Ash visited Mr. and Mrs. Cecil Pratt at their Collingwood home last Sunday.
Vacationing in Florida are Mr. and Mrs. Wm. Oliver and Mrs. Percy Ash.
Surprise Birthday Party
Mr. and Mrs. Jack Blyth entertained 14 friends of Mr. and Mrs. Frank Wilkins in honor of the former's 76th birthday party, March 13. Mr. Wilkins thought he was being taken to a euchre at Temperanceville. When he found himself at the Blyth home surrounded by neighbors, he was delightfully surprised. The evening was spent at euchre playing, a favorite pastime of the honored guest who received numerous gifts and best wishes.
Both Mr. and Mrs. Wilkins were born at Ottawa, having married 45 years ago when they removed to Toronto. They have lived at Oak Ridges for more than 30 years and are still favorites among their many friends. Mr. Wilkins' chief interest is his home and vegetable garden.
Miss Marilyn Hawman will enter five classes in the Eglington Horse Show slated for March 31. Aside from this activity her main interest is preparation for the Pony Show, the first sponsored by Oak Ridges Riding club. Proceeds will be employed to make entries in the forthcoming fall fairs in which her riding club expects to participate.
Monday evening's snowstorm was no drawback to the Lions euchre held at Ridge Inn. Seventy were present. There were 13 tables of euchre and three cribbage. Lions George McEwan, Bill Mirrless, Vic Piirto and Roy Roberts were directors while their wives prepared and served refreshments.
Euchre prizes were won by Mrs. Fred Judge, first; Mrs. S. Graham, second; Mrs. H. Hutchison, third; Mrs. Marshall, consolation. Cecil Poynton won the men's first; Charles Burnett second; Stanley Rule, consolation. Mrs. Bob Rickard and Bob Woolley won cribbage awards and Mrs. Harold Boyle, the consolation. Mrs. F. White, Mrs. Fred Boys and Frank Bell took bingo prizes. Share-the-wealth at \$3.40 was won by Mrs. Marshall.
On Tuesday, April 2, proceeds from the Lions euchre will be donated toward the Junior Horse Show set for April 28 at Oak Ridges sponsored by the riding club, composing 32 youngsters trained by Miss Marilyn Hawman, head of the riding school. Miss Hawman lent valuable aid toward the Lions carnival last August. In appreciation of her efforts and members of the riding club, the Lions organization is endeavoring to return full measure of co-operation as the presentation of the first local horse show comes into view.
The Lions Civil Defence committee chosen by chairman Macintosh is George McEwan, Stanley Rule, Douglas Stephenson, Schell Styrmo and Ross Farquharson.
Mr. J. J. Wall has been appointed sole agent for Deeco Heat and Water Pressure Systems, manufactured by General Motors, his territory to extend from Toronto to Barrie east to Uxbridge and west to Bolton.
Miss Anne Stephenson, under doctor's orders, will take a period of rest from her music studies. Anne was unable to sing at the zone Lions dinner rally held in Aurora last Friday evening.
Mr. Gordon Tetley, King, has been appointed lay reader of the Anglican parishes of King, Oak Ridges and Maple. The appointment was made by Rt. Rev. A. R. Beverley, bishop of the diocese.
The W.A. of St. John's church made a profit of \$23.35, proceeds from a refreshment stand at the McNair auction sale held March 13. The auxiliary held its regular meeting at the home of Mr. Frank Legge on Wednesday.
St. John's Sunday-school has been invited to be present at All Saints church, King, on Good Friday afternoon at 3 p.m. when Mr. Tetley will show a film giving the life of Christ, one of a series of studies commenced earlier in the month. The children will be transported by adults of the congregation.
On Good Friday morning the congregation of St. John's will hold a service in commemoration of the Crucifixion of Christ.

Schomberg in Finals, Eliminates Kettleby

Packing five goals into a final period spurt Elgin Hastings' Schombergers fought their way into the finals of the King-Vaughan hockey league by rolling to a 10-6 win over Kettleby Friday. Schomberg won the set in two straight. Eddie Micknak was the super star in the Schomberg win, shooting in five goals. Hap O'Donnell parked in two, Bill Winters one. Don Marchant, before he was injured, sniped for the other Schomberg goal. The other play-off berth was left undecided as Nobleton came up with a three-goal drive for a 4-4 draw with Kleinburg. Kleinburg won the first semi-final 8-2. Bill Roe headed the Kleinburg shooters with two. Jack Woods, Len Murray, Ron Attwell and Norm Taylor were the Nobleton goal-getters. The teams will battle again this week to decide their bracket of the semi-finals.

Diggers, Tannery Meet In Aurora Finals

Ditch Diggers and Collis "Tanners" will meet for Aurora Town League crown. Semi-finals wound up last Thursday, with a pair of crowd pleasing tilts. Collis "Tanners" at a goal a period stamped out Victory "Flyers" 3-1. Ditch Diggers rapped in three first period goals, and hung on to eliminate the Merchants 4-2. Art White, Ray White and Harry "Basher" Sutton cooked up the Tannery goals. Bill Bennett got the one for Victory "Flyers". Four players Bob Knight, Frank Young, Harold Stephenson and Doug Miller shared in Merchants' kill with single tallies. "Shorty" Rose and Don Holman hit the spot for the Merchants counters.

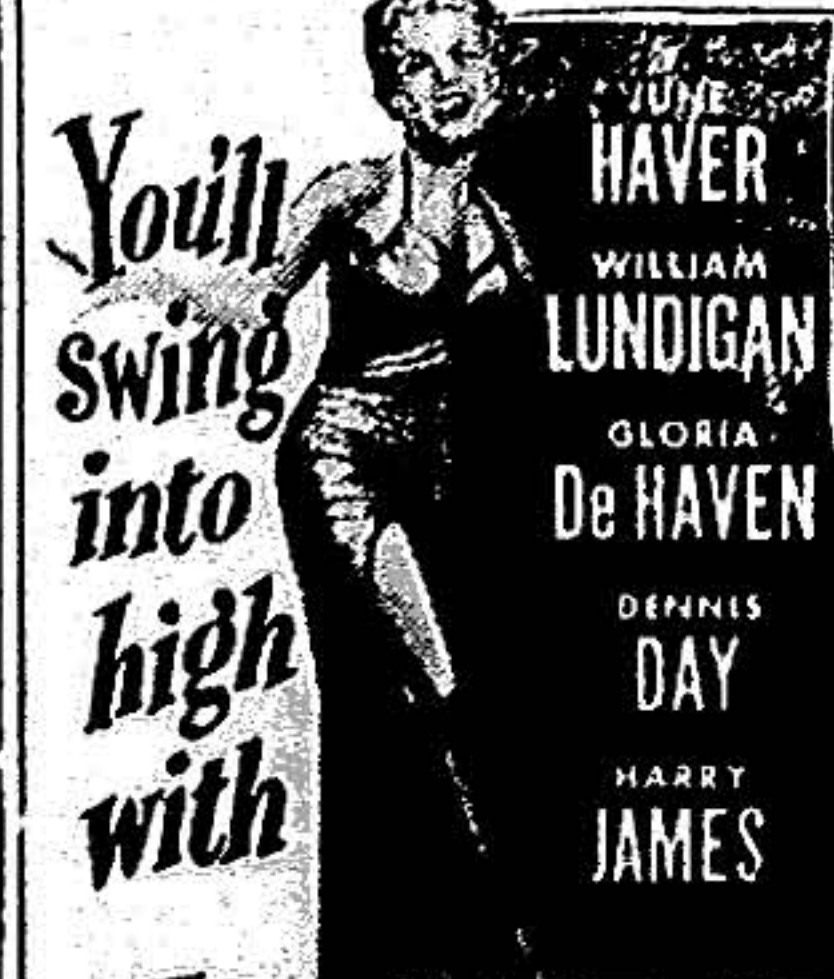

Tanners got solid net-minding from Ron Brown while "Mouse" McMain starred in the Diggers cage. Finals go three out of five with a start likely to be made Good Friday afternoon.

Indians Win Trolley Loop Championship

Tuesday night the Aurora Indians won the Trolley League championship and right to advance in the O.H.A. playdowns as they defeated Charlie Rowntree's Woodbridge "Maroons" 6-2 in the Aurora arena. The Indians wrapped up the series in three straight.

Jimmy O'Hearn, Harvey Gibney's powerful and speedy wingman, set the pace for Aurora with two goals. "Ortie" Thoms, Grant Firth, Bill Mundell and Don Campbell were one goal men. "Son" Rowntree was the powerhouse on the Woodbridge attack scoring both their goals.

Grant Firth's goal 28 seconds after the start of the third period gave the "Indians" a 2-1 win over Woodbridge "Maroons" in Woodbridge arena last Thursday. Firth's goal smashed a one all tie. The win moved Aurora into a dominating two-nil lead in games in the best of five series for the Trolley League group title.

Laurie Thoms supplied the pass for the game winner and connected for Aurora's first period tally as they assumed a 1-0 lead. Tom Boyer evened up the game after being sent on his way by Son Rowntree at 13-minute mark of the second. Net-minders Harry Frogley for Aurora and "Heb" Bishop for the losers starred in the close checking game.

Standing at the close of Town League regular season: Combines 60, Office Specialty 54, Legion 54, Motors 52, Metal Workers 51, Denner's 47, Hisey's 46, Clover Kickers 45, Insley's 43, Newmarket Dairy 28, Dixon's 27, Turkey Catchers 19. Tops last week was Bill Newton 830 (259-327-244). Four made the 700 circle, Reg. Wilson 775, Les Rowland 743, Roy Keffer 719, Eddie Gibson 711. Play-offs start this week.

Frank Daniels topped the Hoffman League scoring last week with a 719 including a 337 single. Other fine scores were sent along by Bob Benville 631, Grant Blight 628, Frank Vandenberg 624, Bob LeShien 621. Press Shop dusted off the Office 7-0, Sheet Metal 5, Vorelone 2. Standing: Press Shop 86, Vorelone 75, Sheet Metal 67, Office 66, Machine Shop 55.

Bud Pettit paced Davis Leather last week with a 737 (267-236-234). Harry Thoms polled a 664, Ken Bennington 626, Jim Cullen 625, Bill Townsley 602. In

Indians Do Themselves Proud

Aurora Indians are the final survivors, except for Markham Millionaires and Nobleton Juniors, of the ten district O.H.A. teams which started the season. It must be a strange sensation for the Rogers-Gibney tribe to find themselves alone on the hockey horizon in these parts after their ups and downs. Last Thursday, Woodbridge gave Aurora a terrific battle, losing out 2-1 due largely to the terrific performance of goalie Harry Frogley. On Thursday night, before one of the largest crowds of the season, the Indians annexed the Metropolitan Cup by making it three straight by a 6-2 win. It was 1-1 at the end of the first, 4-2 at the end of the second and in the third Frogley was unbeatable while Aurora added two more.

Professor James O'Hearn was the individual star of the night, getting two goals, while Firth, Thoms, Campbell and Mundell also hit the score sheet. The entire team turned in an improved effort. One of the tough breaks came in the second period when Bob Gilson, Woodbridge, who is with the R.C.A.P., suffered a broken leg after a collision with Scotty McGhee. A benefit game will doubtless be in order before the fans forget. We don't think

Woodbridge carries player insurance, something that has stood the Indians in good stead this winter. It's about time the wealthy O.H.A. charged so much per player for registration, including insurance at a low rate, and protected all the clubs. Take it away, Mr. Pantler! Next opposition may spell curtains for the Indians unless they're a lot stronger than the so-called critics believe. After all, the Indians moved up from intermediate B to senior B and the team can hardly be compared with some of the power-packed clubs that comprise the B series. In the east Belleville and Kingston are battling it out and there is quite a possibility that Belleville, which leads the series, will provide the next opposition. According to all reports, the series would be even.

Markham, having howled over Stouffville Clippers four games to two, might be next but for the sake of both clubs and some powerful gates, it would be better for all concerned if they could by-pass each other right now. The third possibility is Weston or Orillia. Aurora would be about par with either one of those clubs. Well, here's hoping for the best and wishing the Indians all the best. At least you and you can join the crowds that should swell the sides of Aurora arena the next few weeks for the game gang

Keswick Takes Optimists In Exhibition Tilt

Ken Davies' third period goal earned Keswick a 2-1 win over Newmarket "Optimists" here over the weekend in an exhibition game. Stan Gibbons counted in the first period to give the locals an early lead. Claude Pollock wiped out the margin with an unassisted goal in the middle round.

Keswick: G. J. Cook; D. T. Hare, S. Latimer; C. K. Davies; W. W. Henry, C. Pollock; A. L. Loftus, R. Connell, G. Clark, D. Huntley.

Newmarket: G. J. Hamilton; D. R. Caradonna, H. Noble; C. K. Rusnell; W. S. Gibbons; G. Blight; A. M. Hunter, L. Van Zant, M. McDonald, F. West, D. Warner.

Leafs Surprise Wings With 9-7 Win In Opener

It's down to the important business of declaring a winner in the Newmarket N.H.L. minors. The finals opened Monday evening. Leafs sparked by that handy-dandy of the ice lanes, Bob Forhan, pulled an upset by dumping the favorite Red Wings 9-7. Bob Forhan, the league's number one scorer, got rolling at a merry clip to pound in seven goals to supply the scoring voltage for the Leafs. Don McKnight and Bill Forhan kept plugging for Leafs' other tallies. Freeman West was a stand-out for the Red Wings, busting out with a four-goal display. Ken Bell, Bob Wilson and Earl Lothian sniped for the other Red Wing markers.

N.H.S. Jr. Girls Win Court Championship

It's good to be able to say we have a champion in our midst or should we say champions. It's Newmarket High school's junior ladies basketball team. They won the Central Ontario Secondary Schools Association basketball title Saturday afternoon and evening. It's a first time in history for a Newmarket team.

Playing in Toronto, the well-coached, sharp-shooting locals opened their campaign for the championship by defeating Belleville (Bay of Quinte representatives) 24-19. In the evening the N.H.S. lassies rolled to a 26-12 win over Peterboro. "We're proud of our girls from N.H.S. There was no particular star to single out - they all played well." That's how Coach Joan Bailey described the history making event. After the victory each member of the team was presented with a crest. All games were played at the College of Education gym in Toronto.

Newmarket: Joan Mitchell, Joan Widdifield, Pauline Bovair, Yvonne Johnston, Dawn Gilman, Barb Watt, Jean Rose, Glenna Woodhouse, Dot Brillinger, Isabel Rogers, Jeanne McDonald, Audrey Bunn, Shirley Mills.

Sutton Ties North In Senior Rural Tilt

Ellis Pringle's Sutton "Greenshirts", presently engaged in a best of five series for the Eastern Ontario Senior Rural round, battled Haliburton "Huskies" in Newmarket memorial arena to a four-all tie Monday evening. It was the second game of the series. Haliburton won the first game at home Saturday 10-5.

Geo. Holborn was the Sutton spark, taking advantage of every break to shoot in two goals and pace the Sutton attack. Holborn opened the scoring in the first period and fired home the tying goal in the last four minutes of play. The teams battled through ten minutes of overtime without breaking the stalemate. Bill McLaughlin and John Learoyd were the other Sutton marksmen. Fred Taylor, "Bud" Gilbey and Keith Dunn got assists. Haliburton goal-getters were Alb Dart, Glen Dart, Buck Baker and Jim Henry.

Sutton: B. Holder, K. Dunn, A. Loneragan, J. Learoyd, G. Holborn, J. Taylor, P. Stephens, R. Griffith, F. Taylor, W. DeGeer, B. Gilbey, C. Brady, W. McLaughlin.

SPORT FLASHES

Aurora "Indians", Trolley League champions have drawn Markham "Millionaires" as first round O.H.A. opposition. Manager Harold Rogers was advised Wednesday. The series will likely start Friday or Saturday and is expected to be a best four out of seven set. Markham caused an upset by defeating Stouffville "Clippers" for Big Seven Senior Title.

Ellis Pringle's Sutton Greenshirts will play the fourth game of their current series with Haliburton "Huskies" at the Newmarket arena tomorrow, Good Friday evening at 8.30. Sutton pulled an upset Wednesday, winning an 18-4 decision in Haliburton.

Bisons Win School Pee-Wee Championship

Two last period goals earned Harold Jackson's Bisons a 3-1 win over Jack Hamilton's Bears at the arena Tuesday. The victory gave the Bisons the public school leagues pee-wee championship. The game was part of the busy program of events on school kids' night at the arena Tuesday.

Goal getters for the winners were Murray Callaghan, Danny Williamson and Walt Leadbetter. Larry Sloss, a star with the losers, shot in their goal after Brian Millian made the pay-off shot possible with his stick handling wizardry around Larry Proctor in the Bison's cage.

Bisons: L. Proctor, F. Lewis, D. Lewis, M. Callaghan, D. Jackson, J. Brown, W. Perrin, W. LeDrew, D. Jefferson, P. Ewing, B. Smith, W. Leadbetter, D. Williamson. Bears: W. Tennant, D. Winkworth, L. Sloss, K. Cassavoy, H. Brice, B. Millian, E. Thornton, N. Gilpin, M. Peterson, K. Peterson, J. Little, D. Townsley, J. Lake.

Bradford Eliminated In Sudden Death Tilt

Bradford "Federal Farms" eliminated last week in a sudden-death fixture in Newmarket arena by Sutton "Greenshirts", are back in action again according to latest advice received from O.H.A. Recently Bradford and Sutton joined forces to protest against Alliston's use of Barrie and Camp Borden players. Alliston was kicked out. Alliston launched a counter protest.

The tit for tat business had a climax before the O.H.A. governors Saturday. Result is Bradford, Coldwater and Alliston now play sudden death games for the right to meet the survivors of the Sutton-Haliburton series. There's a catch though to Bradford getting back in. Harry Caradonna and Charlie Nesbitt, two of their strongest puck carriers, have been ruled ineligible to play in the coming series. Alliston lost three players they were using from Barrie. Geo. Lamont of the Sutton team was also ruled ineligible.

St. John's Tops Schools In Newmarket Tourney

St. John's school unofficially is champion of the Newmarket school league. All five primary schools of town were matched in a tournament Saturday morning to settle this important question. St. John's came out the winners by defeating Stuart Scott 4-1 in the finals. Murray Young sparked St. John's to the crown with a two-goal effort. Bob Wilson and Jack Cain pecked away for singles. Ken Bell banked in the Scotters' tally.

In the tourney opener, paced by Earl Lothian's three-goal effort, Stuart Scott steam rolled to a 9-0 win over King George. Brad Walker sniped for two while Ken Bell, Jim Lane and Don Zagalo potted one each in the romp. Lothian's King Georgers, with but up to sixth grade pupils to choose from, earned the gamest loser award.

In game two, Alex. Muir and Prince Charles fought it out to a one-all deadlock. Murray Flicker sniped for the Alexander's marker, Don Sutton countering this for Prince Charles. As no overtime was allowed the right to advance was given to the Alex. Muir as it had the greater share of the play. In the semi-finals, St. John's eased into the finals via a 3-2 win over Alex. Muir in a sizzling game. Bill Forhan and Murray Flicker caught fire for the Alexander's. Murray Young, Bill Cain and Bob Wilson slammed home the St. John's tallies. Frank Hollingsworth coached the St. John's team in its championship effort.

Spits Bow Out Of O.H.A. Race To Collingw'd

Newmarket Spits bowed out on good old St. Patrick's night in Collingwood when the "Shipbuilders" thumped them 8-1 to win the O.H.A. group. Spits were fitted for their coffin early as Collingwood shot into a 2-0 first period margin. The gloom thickened as Eddie O'Bush's men got in a three-goal lull in the second.

Spittire disciples, 500 strong, had their one and only chance to whoop and holler early in the third when Myles McInnis broke in on top of Westbrooke in Collingwood cage to hoist a backhander to the mark. McInnis pay-off shot was made possible by Bill Mabbett's pass. Spits steam pressure dropped again and Bush's men tipped home their sixth, seventh and eighth goals.

Spits failed to impress—penalties figured in three of the goals with Larry Molyneux's men short staffed. Joe Tunney came up with a gallant stand. Myles McInnis was Spits' top puck lugger, working like a trojan.

SPITS WIN AT HOME 5-2

Last Thursday, Spits playing inspired hockey, out-skated, out-shot and out-fought Collingwood "Shipbuilders" to gallop to a 5-2 win. It was a stupendous finish. It was a two-all tie until 13:32 minute mark of the third when Myles McInnis slugged in Al Shewchuk's back-hander for the tie-breaker.

Eddie Bush took out with his netminder Reg Westbrooke with a minute and two seconds to go and Ken Broughton skidded a rink long shot in to the Collingwood cage. Westbrooke came back in for the face-off, then went out again. Motts Thoms took a relay from wing-mate Myles McInnis and pocketed Spits' fifth goal.

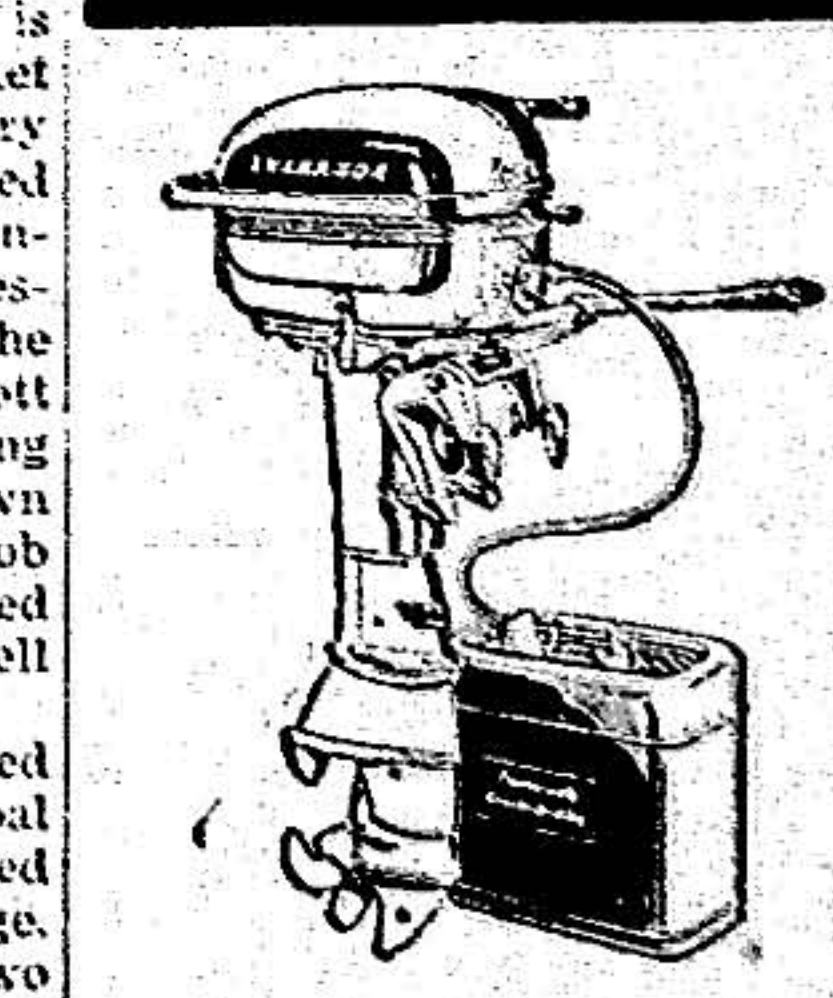

The 1,850 odd fans saw "Motts" Thoms chop in his own rebound to put Spits up 1-0 margin in the first. It was 2-0 in the second as Denny Labine re-routed a "Swift" Todd relay. The Mollmen almost blew in early in the third when Denny Labine was penalized for high sticking and Al Shewchuk was chased 25 seconds later for tripping. Shipbuilders hit hard and fast, a pair of goals by Frank Bowring rating the visitors a tie. Tact the climax as outlined above.

All Larry Molyneux's charges were on the go, halos to defensemen Joe Peat, Al Shewchuk and "Fink" Tunstead and not forgetting Joe "Stonewall" Tunney. Don Smith, Normie Legge, Bill Johnston were re-united and a going concern.

CHALLENGE BOWLING

There will be a challenge rink competition at Miami Greens on Monday night, March 26, at 8.30 p.m. for the "Shorty" Holmes trophy and miniatures.
